ARCADE CREEK RECREATION & PARK DISTRICT
BOARD OF DIRECTORS MEETING

STAFF REPORT

DATE:	**11-16-2026**
TO:	**ACRPD BOARD OF DIRECTORS**
FROM:	**BRANDY HOSACK, GENERAL MANAGER**
SUBJECT:	**6) a. – GENERAL MANAGER STAFF REPORT**
ITEM TYPE:	**INFORMATIONAL**

SUMMARY

- **Administrative**
  - Staff continue to collect coats and books for the Bundle Up and Read event.
  - Staff and safety meetings were conducted throughout the month, addressing winter weather preparedness, productive parks documentation, CAPRI assessments, staff projects, training opportunities, and operational updates.
  - Staff participated in a virtual CARPD Legislative Update focused on current and proposed regulations affecting park districts. ADA website compliance requirements were a primary topic. Staff have narrowed ADA compliance vendor options and are in the final stages of selecting a provider and implementation plan.
  - Staff, residents, and members of the River City Waterway Alliance attended the Sacramento County Board of Supervisors meeting to advocate for support of the Arcade Creek Jo Smith Nature Trail and address ongoing erosion concerns.
  - Staff met on-site and via web, with Sacramento County Department of Water Resources representatives and an erosion mitigation consultant to discuss existing conditions along the Jo Smith Nature Trail and review potential solutions.
  - Staff collaborated with SMUD and the Sacramento Tree Foundation to finalize and successfully implement ACRPD's first joint tree-planting event. The project required significant coordination and support from district staff.
  - Staff attended several CARPD and CAPRI training sessions covering topics including building public trust, employee evaluations, and interpersonal communication skills.
  - Staff participated in a CPRS Administrators Section meeting in Orangevale, where discussions included election preparation, request for proposal processes, and winter operational planning.
  - General Manager Hosack was selected to serve a full term on the CAPRI Board of Directors and continue her newly appointed role as Secretary. Staff also attended the CAPRI Board Retreat in Livermore, participating in strategic planning discussions focused on member services, training opportunities, safety initiatives, and resource development.
  - Staff attended the CSDA Sacramento Chapter meeting at Cordova Recreation & Park District, where members worked on chapter strategic planning and explored opportunities for training, resource sharing, and collaboration among special districts.
  - Staff participated in Sacramento Parks Foundation board meetings related to the completion of the emPOWERment Park project and grant requirements, as well as discussions regarding bylaw and mission statement updates. Ashley Henderson was

appointed Vice President of the Foundation, and the board has begun evaluating future project opportunities.
    - Staff attended the Mission Oaks Recreation and Park District Board Meeting to strengthen regional partnerships, learn about district operations, and recognize the contributions of Mission Oaks staff and board members to the Sacramento Parks Foundation and the emPOWERment Park project.
- **Recreation & Rentals**
    - Staff have seen increased interest in Community Center and group picnic area (GPA) rentals. In response, staff has been reviewing rental rates, updating rental forms, and evaluating processes to improve customer service and facility utilization.
    - Staff continue to expand ACRPD's social media presence through posts highlighting community initiatives and district activities, including the coat drive, dog park planning efforts, and new recreation programs.
    - The Little Sprouts program, offered in partnership with Color the Block, has been highly successful, with two events held at Hamilton Street Park to date. To support continued program growth, staff developed an instructor handbook, registration forms, and instructor application materials. These resources establish a foundation for future programming and help facilitate partnerships for classes, workshops, and events.
    - Programming efforts with UCP were scheduled but ultimately canceled due to low enrollment. Despite these challenges, UCP remains committed to partnering with ACRPD, and both organizations continue to explore opportunities to establish successful and sustainable programming for the community.
- **Parks and Facilities**
    - **Hamilton Street Park (HSP – 4855 Hamilton Street)**
      26/27 CIP Project Goal: Dog Park and Rental Restroom Completion. Potential third: Tennis Court Conversion.
        - Staff partnered with SMUD and the Sacramento Tree Foundation to host a successful tree planting event on November 6 at Hamilton Street Park. Volunteers, community members, ACRPD Board Members, and representatives from both organizations participated in planting 15 native oak trees throughout the park. The event was well attended and represents a meaningful investment in the long-term health, beauty, and sustainability of the park. Staff look forward to planning additional plantings at all park sites.
        - Staff have obtained several preliminary quotes for the proposed Hamilton Street Park Dog Park project and are continuing to evaluate options. Staff are also working with Zuri Alliance to finalize the Request for Proposal (RFP) process and project specifications. The proposed location and dimensions of the dog park were approved by the Board on August 20, 2026. Additional project details, including the approved site layout and dimensions, are included in the attached materials.
    - **Arcade Creek Park (ACP – 5613 Omni Drive)**
      26/27 CIP Project Goal: Tennis/Pickle Ball Court Conversion
        - Staff have successfully removed the shared HOA chain-link fencing. An additional 21 posts were installed between the existing fence posts to eliminate any vehicles driving into the park. Staff has received many positive comments from residents in the area. While this solves the fencing concern, the final phase of this project will require a tree assessment to identify concerns and generate a well-thought-out solution to those concerns.
    - **Oakdale Park (OP – 3708 Myrtle Avenue)**
      26/27 CIP Project Goal: Added amenity

- TRUSD has approved the proposed installation of a security camera near the barbecue area and newly installed playground equipment at Oakdale Community Center. Staff anticipates construction and installation activities will begin shortly. Once operational, the camera system will be monitored through ACRPD's existing security provider, Crime Alert, further enhancing safety and security at the site.
- Staff and Volunteer Kunakey attended the Oakdale Elementary School Harvest Festival on October 15 to engage with students, families, and community members while promoting ACRPD programs and services. The event was well attended, and staff distributed nearly 100 ACRPD frisbees, providing valuable community outreach and visibility for the District.
- Staff received a compliance letter from California State Parks regarding the Oakdale Community Center. In response, staff have continued coordination efforts with TRUSD and are in the final stages of updating and formalizing the Memorandum of Understanding (MOU) between the two agencies.
- Staff were also notified by TRUSD that responsibility for the site's water meters and backflow devices has been transferred to TRUSD. As a result of this review, ACRPD is expected to receive approximately $10,000 in credits for water costs previously paid by the District that were the responsibility of TRUSD following the community center transfer in early 2024.

- **Jo Smith Nature Trail (ACP Park – 5613 Omni Drive)**
  26/27 CIP Project Goal: General Improvements
  - Staff continue to dedicate significant time and resources toward identifying potential solutions and funding opportunities to address ongoing erosion concerns along the Jo Smith Nature Trail. Efforts include coordination with county agencies, regulatory partners, consultants, and community stakeholders to develop both short-term mitigation measures and long-term stabilization strategies.
  - Staff successfully installed solar-powered, cellular-connected security cameras at both the ARC pedestrian bridge and the Garfield Avenue trail entrance. These cameras will improve monitoring of trail usage, provide additional visibility in a secluded area, assist with identifying flood impacts, and support overall trail safety and maintenance efforts.
  - Additional bridge closure signage has been installed on nearby posts to improve public awareness when the ARC pedestrian bridge must be closed due to flooding conditions. The enhanced signage will help staff communicate closures more effectively and promote public safety during high-water events.

Re: Oakdale Park

Dear Brandy Hosack:

The above referenced site has one project funded using 2002 Resources Bond Act – Urban Park Act 2001 grant funds administered through the Office of Grants and Local Services (OGALS). One of the grant contract requirements for this project is that these developed sites must be properly operated and maintained in return for the public's investment.

The compliance period for this project is February 22, 2008, through February 21, 2028. At this time, the project is considered out of compliance due to grant contract requirements not being met.

On February 25, 2026, you notified our office that Arcade Creek R.P.D. had formally transferred the Oakdale Community Center building to the Twin Rivers Unified School District (TRUSD) under a Memorandum of Understanding (MOU) dated April 24, 2024. This facility had been closed for public recreational use and is now utilized solely for school purposes. The exact date of this closure is unclear, but you stated the closure was initially due to COVID. We are agreeable to Arcade Creek R.P.D. making up for the lost years of public access at this facility. Given that on March 4, 2020, Governor Gavin Newsom declared a state of emergency and on March 12, 2020, announced mass gatherings were banned, OGALS is agreeable to a revised remaining compliance period of seven years. This seven-year period will begin when the facility "re-opens" to the public for community recreational activities, and the new agreement is signed by both Arcade Creek R.P.D. and TRUSD.

While TRUSD has maintained the facility and made improvements, including the installation of a commercial kitchen, the current use does not meet the recreational public access requirements of the grant.

We understand that Arcade Creek R.P.D. recognizes this issue and is taking steps to correct it. You indicated that you are working with TRUSD to amend the MOU and restore use of the facility for after-school and community programming. We appreciate your proactive efforts to bring the project back into compliance.

Please proceed with collaborating with TRUSD to define roles and responsibilities and submit the revised agreement to OGALS for legal review once it has been drafted. We request that you provide an update within 30 days of receipt of this letter regarding your progress toward resolving this matter.

We look forward to working with you to ensure the project meets all grant contract requirements. If you have any questions, please contact your project officer, Victoria Artishuk, at (279) 228-9728 or Victoria.Artishuk@parks.ca.gov.

RE: Invoice for Administration of the Arcade Creek Park Development Fee Program

Dear Ms. Hosack:

The Arcade Creek Park Development Impact Fee Program was established by the County of Sacramento Board of Supervisors in September 2010 at the request of your district. In conjunction with the adoption of the fee program, the County and the district entered into an "Agreement for Administration of Park Development Impact Fee Program" related to the administration of the park fee program. One provision of the agreement enables the County to recuperate costs and expenses associated with the administration of the fee program.

Enclosed, per the above mentioned agreement, is an invoice for a total of **$7,886.60** for the County's costs associated with your district's fee program administration for Fiscal Year 2025-26 (July 1, 2025 to June 30, 2026).

Please pay the invoice by **April 30, 2027**. Payment can be made via a JV using **Fund 021G**; **Cost Center 2152195000** and **GL 96967914**, which is also provided at the bottom of your **invoice number AC 25-26.** Please include your invoice number in the text field when creating the JV.

Sincerely,

Carolyn Nguyen,

ARCADE CREEK RECREATION & PARK DISTRICT
BOARD OF DIRECTORS MEETING

STAFF REPORT

DATE:	**11-19-2026**
TO:	**ACRPD BOARD OF DIRECTORS**
FROM:	**BRANDY HOSACK, GENERAL MANAGER**
SUBJECT:	**9) a. – ACTION: APPROVE AMENDMENT TO LEGAL SERVICES AGREEMENT WITH COLE HUBER LLP**
ITEM TYPE:	**INFORMATIONAL**

RECOMMENDATION

Approve the Amendment to the Legal Services Agreement with Cole Huber LLP, extending the term of the agreement for general counsel services through June 30, 2027.

BACKGROUND

District legal counsel provides ongoing legal advice and support related to governance, Brown Act compliance, Public Records Act matters, contracts, personnel issues, policies, and other legal matters affecting District operations. The District entered into the latest Legal Services Agreement with Cole Huber LLP on November 17, 2023, to provide general counsel services to the District.

The current amendment extends the term of the existing agreement. No other provisions of the agreement are modified. All terms and conditions not specifically amended will remain in full force and effect.

FISCAL IMPACT

Funding for legal services is included within the District's adopted budget. The amendment extends the term of the agreement and does not otherwise modify the agreement provisions.

RECOMMENDED MOTION

Move to approve the Amendment to the Legal Services Agreement between the Arcade Creek Recreation and Park District and Cole Huber LLP, extending the term of the agreement through June 30, 2027, and authorize the General Manager to execute the amendment.

LEGAL SERVICES AGREEMENT BETWEEN ARCADE CREEK RECREATION AND PARK DISTRICT AND COLE HUBER LLP FOR GENERAL COUNSEL SERVICES

THIS AGREEMENT for legal services is entered into by and between the Arcade Creek Recreation and Park District, a municipal corporation in the State of California (hereinafter referred to as "District") and Cole Huber LLP ("Law Firm"), as of November 17, 2023 (the "Effective Date").

SECTION 1. SERVICES. Subject to the terms and conditions set forth in this Agreement, Law Firm shall provide to District the services described in the Scope of Work attached hereto and incorporated herein as Exhibit A at the time and place and in the manner specified therein. In the event of a conflict in or inconsistency between the terms of this Agreement and Exhibit A, the Agreement shall prevail.

1.1 Term of Services. The term of this Agreement shall begin on the Effective Date and shall end on November 16, 2027, and Law Firm shall complete the work described in Exhibit A prior to that date, unless the term of the Agreement is otherwise terminated, as provided for in Section 7. The time provided to Law Firm to complete the services required by this Agreement shall not affect the District's right to terminate the Agreement as provided for in Section 7.1.

1.2 Standard of Performance. Law Firm shall perform all services required pursuant to this Agreement in the manner and according to the standards observed by a competent practitioner of the profession in which Law Firm is engaged in the geographical area in which Law Firm practices its profession. Law Firm shall prepare all work products required by this Agreement in a substantial, first-class manner and shall conform to the standards of quality normally observed by a person practicing in Law Firm's profession.

1.3 Assignment of Personnel. Law Firm shall assign only competent personnel to perform services pursuant to this Agreement. In the event that District, in its sole discretion, at any time during the term of this Agreement, desires the reassignment of any such persons, Law Firm shall, immediately upon receiving notice from District of such desire of District, reassign such person or persons.

1.4 Time. Law Firm shall devote such time to the performance of services pursuant to this Agreement as may be reasonably necessary to meet the standard of performance provided in Section 1.2 above and to satisfy Law Firm's obligations hereunder.

SECTION 2. COMPENSATION. District hereby agrees to pay Law Firm a sum not to exceed the amounts described in Exhibit B, notwithstanding any contrary indications that may be contained in Law Firm's proposal, for services to be performed and reimbursable costs incurred under this Agreement. District shall pay Law Firm for services rendered pursuant to this Agreement at the time and in the manner set forth

herein. The payments specified below shall be the only payments from District to Law Firm for services rendered pursuant to this Agreement. Law Firm shall submit all invoices to District in the manner specified herein. Except as specifically authorized by District, Law Firm shall not bill District for duplicate services performed by more than one person.

Law Firm and District acknowledge and agree that compensation paid by District to Law Firm under this Agreement is based upon Law Firm's estimated costs of providing the services required hereunder, including salaries and benefits of employees and subcontractors of Law Firm. Consequently, the parties further agree that compensation hereunder is intended to include the costs of contributions to any pensions and/or annuities to which Law Firm and its employees, agents, and subcontractors may be eligible. District therefore has no responsibility for such contributions beyond compensation required under this Agreement.

2.1 Invoices. Law Firm shall submit invoices, not more often than once a month during the term of this Agreement, based on the cost for services performed and reimbursable costs incurred prior to the invoice date. Invoices shall contain the following information:

- Serial identifications of progress bills; i.e., Progress Bill No. 1 for the first invoice, etc.;
- The beginning and ending dates of the billing period;
- A Task Summary containing the original contract amount, the amount of prior billings, the total due this period, the balance available under the Agreement, and the percentage of completion;
- At District's option, for each work item in each task, a copy of the applicable time entries or time sheets shall be submitted showing the name of the person doing the work, the hours spent by each person, a brief description of the work, and each reimbursable expense; and
- The total number of hours of work performed under the Agreement by Law Firm.

2.2 Monthly Payment. District shall make monthly payments, based on invoices received, for services satisfactorily performed, and for authorized reimbursable costs incurred. District shall have 30 days from the receipt of an invoice that complies with all of the requirements above to pay Law Firm.

2.3 Total Payment. District shall pay for the services to be rendered by Law Firm pursuant to this Agreement. District shall not pay any additional sum for any expense or cost whatsoever incurred by Law Firm in rendering services pursuant to this Agreement. District shall make no payment for any extra, further, or additional service pursuant to this Agreement.

In no event shall Law Firm submit any invoice for an amount in excess of the maximum amount of compensation provided above either for a task or for the entire Agreement, unless the Agreement is modified prior to the submission of such an invoice by a properly executed change order or amendment approved by the General Manager.

2.4 Fees. Fees for work performed by Law Firm on an hourly basis shall not exceed the amounts shown on the Compensation Schedule attached hereto and incorporated herein as Exhibit B.

2.5 Reimbursable Expenses. Reimbursable expenses are specified in Exhibit B, and expenses not listed in Exhibit B are not chargeable to the District.

2.6 Payment of Taxes. Law Firm is solely responsible for the payment of employment taxes incurred under this Agreement and any similar federal or state taxes.

2.7 Payment upon Termination. In the event that the District or Law Firm terminates this Agreement pursuant to Sections 7 of this Agreement, the District shall compensate the Law Firm for all outstanding costs and reimbursable expenses incurred for work satisfactorily completed as of the date of written notice of termination. Law Firm shall maintain adequate logs and timesheets in order to verify costs incurred to that date.

2.8 Authorization to Perform Services. Law Firm is not authorized to perform any services or incur any costs whatsoever under the terms of this Agreement until receipt of authorization from the General Manager

SECTION 3. FACILITIES AND EQUIPMENT. Except as set forth herein, Law Firm shall, at its sole cost and expense, provide all facilities and equipment that may be necessary to perform the services required by this Agreement. District shall make available to Law Firm only the facilities and equipment listed in this section, and only under the terms and conditions set forth herein.

District shall furnish physical facilities such as desks, filing cabinets, and conference space, as may be reasonably necessary for Law Firm's use while consulting with District employees and reviewing records and the information in possession of the District. The location, quantity, and time of furnishing those facilities shall be in the sole discretion of District. In no event shall District be obligated to furnish any facility that may involve incurring any direct expense, including but not limited to computer, long-distance telephone or other communication charges, vehicles, and reproduction facilities.

SECTION 4. INSURANCE REQUIREMENTS. Before beginning any work under this Agreement, Law Firm, at its own cost and expense, shall procure and maintain professional malpractice insurance in the amount of not less than $2 million per occurrence throughout the term of this Agreement. Law Firm shall provide proof satisfactory to District of such insurance that meets the requirements of this section and under forms of insurance satisfactory in all respects to the District, and that such insurance is in effect prior to commencing work under this Agreement. Law Firm shall maintain the insurance policy required by this section throughout the term of this

Agreement. Verification of the required insurance shall be submitted and made part of this Agreement prior to execution.

4.1 Variation. The District may approve a variation in the insurance requirements, upon a determination that the coverage, scope, limit, and form of such insurance is either not commercially available, or that the District's interests are otherwise fully protected.

4.2 Notice of Reduction in Coverage. In the event that any coverage required by this section is reduced, limited, or materially affected in any other manner, Law Firm shall provide written notice to District at Law Firm's earliest possible opportunity and in no case later than five days after Law Firm is notified of the change in coverage.

4.3 Remedies. In addition to any other remedies District may have if Law Firm fails to provide or maintain any insurance policies or policy endorsements to the extent and within the time herein required, District may, at its sole option, exercise any of the following remedies, which are alternatives to other remedies District may have and are not the exclusive remedy for Law Firm's breach:

4.3.1. Order Law Firm to stop work under this Agreement or withhold any payment that becomes due to Law Firm hereunder, or both stop work and withhold any payment, until Law Firm demonstrates compliance with the requirements hereof; and/or

4.3.2 Terminate this Agreement.

SECTION 5. STATUS OF LAW FIRM.

5.1 Independent Contractor. At all times during the term of this Agreement, Law Firm shall be an independent contractor and shall not be an employee of District. District shall have the right to control Law Firm only insofar as the results of Law Firm's services rendered pursuant to this Agreement and assignment of personnel pursuant to Subparagraph 1.3; however, otherwise District shall not have the right to control the means by which Law Firm accomplishes services rendered pursuant to this Agreement. Notwithstanding any other District, state, or federal policy, rule, regulation, law, or ordinance to the contrary, Law Firm and any of its employees, agents, and subcontractors providing services under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any and all claims to, any compensation, benefit, or any incident of employment by District, including but not limited to eligibility to enroll in the California Public Employees Retirement System (PERS) as an employee of District and entitlement to any contribution to be paid by District for employer contributions and/or employee contributions for PERS benefits.

5.2 Law Firm, Not Agent. Except as District may specify in writing or as provided by law, Law Firm shall have no authority, express or implied, to act on behalf of District in any capacity whatsoever as an agent. Law Firm shall have no authority,

express or implied, pursuant to this Agreement to bind District to any obligation whatsoever.

5.3 California Government Claims Act. Notwithstanding the foregoing provisions, should Law Firm or any of its attorneys, professionals, or staff be named as parties to any civil action or administrative proceeding brought by any third party, based on advice the Firm or such individuals have given to District or actions they have taken on behalf of the District, the District shall defend and indemnify Law Firm and such individuals in the same manner in which it must defend District employees pursuant to the California Government Claims Act, California Government Code section 810 *et seq*. However, the District shall have no duty to defend or indemnify Law Firm or any of its attorneys, professionals, or staff if the advice given or actions taken did not occur within the course and scope of their duties under this Agreement.

SECTION 6. LEGAL REQUIREMENTS.

6.1 Governing Law. The laws of the State of California shall govern this Agreement.

6.2 Compliance with Applicable Laws. Law Firm and any subcontractors shall comply with all laws applicable to the performance of the work hereunder.

6.3 Other Governmental Regulations. To the extent that this Agreement may be funded by fiscal assistance from another governmental entity, Law Firm and any subcontractors shall comply with all applicable rules and regulations to which District is bound by the terms of such fiscal assistance program.

6.4 Licenses and Permits. Law Firm represents and warrants to District that Law Firm and its employees, agents, and any subcontractors have all licenses, permits, qualifications, and approvals of whatsoever nature that are legally required to practice their respective professions. Law Firm represents and warrants to District that Law Firm and its employees, agents, any subcontractors shall, at their sole cost and expense, keep in effect at all times during the term of this Agreement any licenses, permits, and approvals that are legally required to practice their respective professions.

6.5 Nondiscrimination and Equal Opportunity. Law Firm shall not discriminate, on the basis of a person's race, religion, color, national origin, age, physical or mental handicap or disability, medical condition, marital status, sex, or sexual orientation, against any employee, applicant for employment, subcontractor, bidder for a subcontract, or participant in, recipient of, or applicant for any services or programs provided by Law Firm under this Agreement. Law Firm shall comply with all applicable federal, state, and local laws, policies, rules, and requirements related to equal opportunity and nondiscrimination in employment, contracting, and the provision of any services that are the subject of this Agreement.

Law Firm shall include the provisions of this Subsection in any subcontract approved by the General Manager of this Agreement.

SECTION 7. TERMINATION AND MODIFICATION.

7.1 Termination. District may cancel this Agreement at any time and without cause upon written notification to Law Firm.

Law Firm may cancel this Agreement upon 60 days' written notice to District and shall include in such notice the reasons for cancellation.

In the event of termination, Law Firm shall be entitled to compensation for services performed to the effective date of termination; District, however, may condition payment of such compensation upon Law Firm delivering to District any or all documents, photographs, computer software, video and audio tapes, and other materials provided to Law Firm or prepared by or for Law Firm or the District in connection with this Agreement.

7.2 Amendments. The parties may amend this Agreement only by a writing signed by all the parties.

7.3 Assignment and Subcontracting. District and Law Firm recognize and agree that this Agreement contemplates personal performance by Law Firm and is based upon a determination of Law Firm's unique personal competence, experience, and specialized personal knowledge. Moreover, a substantial inducement to District for entering into this Agreement was and is the professional reputation and competence of Law Firm. Law Firm may not assign this Agreement or any interest therein without the prior written approval of the District Board of Directors. Law Firm shall not subcontract any portion of the performance contemplated and provided for herein, other than to the subcontractors noted in the proposal, without prior written approval of the District Board of Directors.

7.4 Survival. All obligations arising prior to the termination of this Agreement and all provisions of this Agreement allocating liability between District and Law Firm shall survive the termination of this Agreement.

7.5 Options upon Breach by Law Firm. If Law Firm materially breaches any of the terms of this Agreement, District's remedies shall include, but not be limited to the following:

7.5.1 Immediately terminate the Agreement;

7.5.2 Retain the plans, specifications, drawings, reports, design documents, and any other work product prepared by Law Firm pursuant to this Agreement; or

7.5.3 Retain a different Law Firm to complete the work described in Exhibit A not finished by Law Firm.

SECTION 8. KEEPING AND STATUS OF RECORDS.

8.1 Records Created as Part of Law Firm's Performance. All reports, data, maps, models, charts, studies, surveys, photographs, memoranda, plans, studies, specifications, records, files, or any other documents or materials, in electronic or any other form, that Law Firm prepares or obtains pursuant to this Agreement and that relate to the matters covered hereunder shall be the property of the District. Law Firm hereby agrees to deliver those documents to the District upon termination of the Agreement. It is understood and agreed that the documents and other materials, including but not limited to those described above, prepared pursuant to this Agreement are prepared specifically for the District and are not necessarily suitable for any future or other use. District and Law Firm agree that, until final approval by District, all data, plans, specifications, reports and other documents are confidential and will not be released to third parties without prior written consent of both parties.

8.2 Law Firm's Books and Records. Law Firm shall maintain any and all ledgers, books of account, invoices, vouchers, canceled checks, and other records or documents evidencing or relating to charges for services or expenditures and disbursements charged to the District under this Agreement for a minimum of three (3) years, or for any longer period required by law, from the date of final payment to the Law Firm to this Agreement.

8.3 Inspection and Audit of Records. Any records or documents that Section 9.2 of this Agreement requires Law Firm to maintain shall be made available for inspection, audit, and/or copying at any time during regular business hours, upon oral or written request of the District.

SECTION 9. MISCELLANEOUS PROVISIONS.

9.1 Attorneys' Fees. If a party to this Agreement brings any action, including an action for declaratory relief, to enforce or interpret the provision of this Agreement, the prevailing party shall be entitled to reasonable attorneys' fees in addition to any other relief to which that party may be entitled. The court may set such fees in the same action or in a separate action brought for that purpose.

9.2 Venue. In the event that either party brings any action against the other under this Agreement, the parties agree that trial of such action shall be vested exclusively in the Superior Court for the County of Sacramento.

9.3 Severability. If a court of competent jurisdiction finds or rules that any provision of this Agreement is invalid, void, or unenforceable, the provisions of this Agreement not so adjudged shall remain in full force and effect. The invalidity in whole or in part of any provision of this Agreement shall not void or affect the validity of any other provision of this Agreement.

9.4 No Implied Waiver of Breach. The waiver of any breach of a specific provision of this Agreement does not constitute a waiver of any other breach of that term or any other term of this Agreement.

9.5 Successors and Assigns. The provisions of this Agreement shall inure to the benefit of and shall apply to and bind the successors and assigns of the parties.

9.6 Conflict of Interest. Law Firm may serve other clients, but none whose activities within the corporate limits of District or whose business, regardless of location, would place Law Firm in a "conflict of interest," as that term is defined in the rules of professional responsibility governing Law Firm's profession, unless such conflict may be waived by District and District chooses to waive such conflict in writing.

Law Firm shall not employ any District official in the work performed pursuant to this Agreement. No officer or employee of District shall have any financial interest in this Agreement that would violate California Government Code Sections 1090 *et seq.*

Law Firm hereby warrants that it is not now, nor has it been in the previous twelve (12) months, an employee, agent, appointee, or official of the District. If Law Firm was an employee, agent, appointee, or official of the District in the previous twelve months, Law Firm warrants that it did not participate in any manner in the forming of this Agreement. Law Firm understands that, if this Agreement is made in violation of Government Code §1090 *et seq.*, the entire Agreement is void and Law Firm will not be entitled to any compensation for services performed pursuant to this Agreement, including reimbursement of expenses, and Law Firm will be required to reimburse the District for any sums paid to the Law Firm. Law Firm understands that, in addition to the foregoing, it may be subject to criminal prosecution for a violation of Government Code § 1090 and, if applicable, will be disqualified from holding public office in the State of California.

9.8 Solicitation. Law Firm agrees not to solicit business at any meeting, focus group, or interview related to this Agreement, either orally or through any written materials.

9.9 Notices.

Any written notice to Law Firm shall be sent to:

Cole Huber LLP
Attn: Derek P. Cole
2281 Lava Ridge Court, Suite 300
Roseville, CA 95661

Any written notice to District shall be sent to:

Arcade Creek Recreation & Park District
Attn: General Manager
PO Box 418114
Sacramento, CA 95841-8114

9.10 Integration. This Agreement, including the attachments, represents the entire and integrated agreement between District and Law Firm and supersedes all prior negotiations, representations, or agreements, either written or oral.

9.11 Counterparts. This Agreement may be executed in multiple counterparts, each of which shall be an original and all of which together shall constitute one agreement.

9.12 Authorized Signature. Each person and party signing this Agreement warrants that he/she has the authority to execute this Agreement on behalf of the principal and that the party will be bound by such signature.

The parties have executed this Agreement as of the Effective Date.

- Other tasks necessary to the successful completion of the litigation

[1] Any services provided by Law Firm in relation to "Skelly" hearings and other informal employee conferences shall be considered General Counsel services and billed as such.

EXHIBIT B

COMPENSATION

District shall compensate Law Firm as follows:

General Counsel Services

District shall pay Law Firm an hourly rate of $250 for attorneys and $150 for paralegals. These rates shall be increased by $5 per hour effective each contract anniversary.

For purposes of recording its time, Law Firm shall bill only its actual time to the tenth of the hour (i.e., 6-minute increments).

Law Firm shall also be reimbursed for expenses advanced on the District's behalf. These expenses include:

Duplication (for 100 pages or more in any single month)	$0.10/page
Vehicle travel (for non-standard trips exceeding 75 miles from our Roseville office)	Applicable IRS rate per mile x number of miles
Extraordinary postage or overnight delivery costs	Actual Cost

Litigation Services

If retained by the District for any judicial or administrative proceeding, Law Firm would charge the District the following rates:

Lead/Trial Attorneys Rate:	$270/hour
Other Attorney Rate:	$230/hour
Paralegals:	$160/hour

Hourly rates would be charged for customary attorney and paralegal services related to litigation. Those services include:

- Drafting of pleadings, motions, memoranda, court forms, and other litigation documents
- Research and analysis of claims, defenses, and remedies
- Drafting and responding to discovery pleadings

- Coordinating, reviewing, and summarizing discovery and document productions
- Depositions, including witness preparation and preparation of post-deposition summaries
- Preparation of administrative records
- Meetings with client representatives, opposing counsel, and others concerning the litigation
- Trial and trial preparation
- Attendance and preparation for court hearings
- Other tasks necessary to the successful completion of the litigation

For litigation services, the firm would also include on monthly invoices reimbursement of necessary costs incurred for the following:

- Court filing fees
- Attorney services (includes service of process fees, arbitrators, and mediators)
- Messenger services
- Westlaw research outside of our prepaid service fee
- Fed-Ex, OnTrac Overnight, or other one-day delivery services
- Reasonable travel expenses and parking fees
- Actual costs for large reproduction projects if performed by an outside service, or $0.10 per page if performed in-house
- Any other expense not listed above that becomes necessary for the successful resolution of a client matter

TO:	**ACRPD BOARD OF DIRECTORS**
FROM:	**BRANDY WADE, GENERAL MANAGER**
SUBJECT:	**9) b. – ACTION: ACCEPTANCE OF DIRECTOR SCOTT MILLER'S CONFIRMATION OF VACANCY**
ITEM TYPE:	**ACTION**

BACKGROUND

Director Scott Miller was elected to serve on the Arcade Creek Recreation and Park District Board of Directors. Following the November election, Director Miller did not seek reelection and has communicated his intention to cease serving as a member of the Board.

Director Miller has verbally confirmed that he will no longer continue in the position, creating a vacancy on the Board of Directors. In anticipation of this vacancy, the District publicly noticed and solicited applications for an at-large board vacancy and has received one application for consideration.

Pursuant to California Government Code provisions governing special district board vacancies, the Board may formally acknowledge and declare the vacancy and initiate the appointment process to fill the term.

DISCUSSION

Acceptance of Director Miller's confirmation of vacancy will officially establish the Board vacancy and allow the District to move forward with the appointment process in an open and transparent manner. Filling the vacant position promptly will help ensure continued governance continuity and maintain a full complement of Board members.

The District has already conducted outreach regarding the vacancy and has received an application from an interested resident. Upon declaration of the vacancy, the Board may proceed with reviewing applicants and making an appointment in accordance with applicable laws and District procedures.

RECOMMENDATION

Accept Director Scott Miller's notice that he will no longer serve on the Arcade Creek Recreation and Park District Board of Directors and direct staff to proceed with the process for filling the resulting vacancy in accordance with applicable law.

ACTION REQUESTED

I move to accept Director Scott Miller's notice that he will no longer serve on the Arcade Creek Recreation and Park District Board of Directors and direct staff to proceed with the process to fill the resulting vacancy in accordance with applicable law.

Resolution Number 2026-07

RESOLUTION NUMBER 2026-07

RESOLUTION OF THE BOARD OF DIRECTORS RECOGNIZING DIRECTOR SCOTT MILLER FOR HIS SERVICE to the ARCADE CREEK RECREATION and PARK DISTRICT

WHEREAS, the Arcade Creek Recreation and Park District is dedicated to 'Creating Community through People, Parks, & Programs,' serving the residents of northeastern Sacramento County, including Sacramento, Foothill Farms, Carmichael, and North Highlands, by maintaining parks and offering diverse recreational spaces and facilities; and

WHEREAS, Scott Miller has served the Arcade Creek Recreation and Park District in various capacities, including as a member of the Board of Directors, Board Chair, and Interim General Manager, contributing his time and efforts to the governance and operation of the District; and improving the quality of life for the District's approximately 24,000 residents; and

WHEREAS, throughout his tenure, Scott Miller participated in Board meetings, committee meetings, policy discussions, budget reviews, and other District business related to the oversight and administration of District programs, facilities, and services; and

WHEREAS, during Scott Miller's years of service, the District saw the enhancement of community spaces at Hamilton Street Park, Arcade Creek Park, and Oakdale Park, each offering valuable amenities including new playgrounds and pickleball courts, and efforts to enhance and protect the Jo Smith Nature Trail, connecting community members with local natural resources; and

WHEREAS, Scott Miller's dedicated service has strengthened the District's amenities and further helped protect and broaden community access to the District's parks and activities;

NOW, THEREFORE, BE IT RESOLVED that the Arcade Creek Recreation and Park District Board of Directors hereby recognizes Scott Miller for his service to the District and expresses appreciation for the time and effort he dedicated to District affairs.

BE IT FURTHER RESOLVED that the Board extends its best wishes to Scott Miller in his future endeavors and thanks him for his service to the community.

TO:	**ACRPD BOARD OF DIRECTORS**
FROM:	**BRANDY WADE, GENERAL MANAGER**
SUBJECT:	**9) d. - POSSIBLE ACTION: APPOINTMENT TO FILL ACRPD BOARD VACANCY**
ITEM TYPE:	**POSSIBLE ACTION**

BACKGROUND

The ACRPD Board of Directors consists of five elected members. Due to a vacancy on the Board and no successor being elected, the District initiated the appointment process in accordance with applicable law. Notice of the vacancy was posted on the District website, social media platforms, and at District facilities beginning in October. The District received one qualified application prior to the deadline. The application has been provided to the Board for review.

DISCUSSION

The Board may interview the applicant and evaluate the applicant's qualifications, interest in serving the community, and ability to fulfill the responsibilities of a Director.
Following the interview and discussion, the Board may:

1. Appoint the applicant to fill the vacancy; or
2. Decline to appoint the applicant and reopen recruitment.

If appointed, the appointee will take the Oath of Office and may immediately assume the duties of a Director. The District will subsequently complete all required filings and notifications.

RECOMMENDATION

Staff recommends the Board review the application, interview the applicant, and consider appointment to the vacant Board position.

ACTION REQUESTED

Motion to appoint Jennifer Brazell to serve as a Director of the Arcade Creek Recreation & Park District, effective upon taking the Oath of Office, and to serve until the next election for the seat in 2028.

Following the appointment, the Chairperson will administer the Oath of Office, and the newly appointed Director will complete the required Form 700 and mandatory ethics training.

FROM: BRANDY HOSACK, GENERAL MANAGER

PREPARED BY: THOMAS KESSLER, ADMINISTRATIVE SERVICES COORDINATOR

SUBJECT: 9) e. – ACTION: ADOPTION OF CALPERS CONTRACT AMENDMENT RESOLUTION OF INTENTION

ITEM TYPE: ACTION

RECOMMENDATION

The Board officially adopts the Resolution of Intention to amend the District's contract with CalPERS to incorporate PEPRA language.

BACKGROUND

The District submitted its contract with the California Public Employees' Retirement System (CalPERS) on August 11, 2005 to provide retirement benefits for District Staff.

The California Public Employees' Pension Reform Act (PEPRA) was signed into law on September 12, 2012 and officially took effect on January 1, 2013. PEPRA modified the formula of pension contributions for employees hired on or after January 1, 2013.

The District's CalPERS contract does not yet include PEPRA language. This amendment aligns the contract with current law without changing how employees or retirees earn or receive their pensions.

To amend the contract, the District must first pass a Resolution of Intention. There must be a 20-day period between the adoption of the Resolution of Intention and the adoption of the final Resolution pursuant to Government Code Section 20471.

Adoption of the final Resolution can take place at the Board's regularly scheduled December meeting.

CalPERS requires that the District use the resolution and certification documents provided rather than retype them in our own format.

RECOMMENDED MOTION

I move that we officially adopt the Resolution of Intention to amend the District's contract with CalPERS.

AMENDMENT TO CONTRACT
BETWEEN THE
BOARD OF ADMINISTRATION
CALIFORNIA PUBLIC EMPLOYEES' RETIREMENT SYSTEM
AND THE
BOARD OF DIRECTORS
ARCADE CREEK RECREATION AND PARK DISTRICT

The Board of Administration, Public Employees' Retirement System, hereinafter referred to as Board, and the governing body of the above public agency, hereinafter referred to as Public Agency, having entered into a contract effective June 1, 2006, and witnessed May 31, 2006, and as amended effective November 16, 2012, which provides for participation of Public Agency in said System, Board and Public Agency hereby agree as follows:

A. Paragraphs 1 through 12 are hereby stricken from said contract as executed effective November 16, 2012, and hereby replaced by the following paragraphs numbered 1 through 13 inclusive:

1. All words and terms used herein which are defined in the Public Employees' Retirement Law shall have the meaning as defined therein unless otherwise specifically provided. "Normal retirement age" shall mean age 55 for classic local miscellaneous members entering membership in the miscellaneous classification on or prior to November 16, 2012, age 60 for classic local miscellaneous members entering membership for the first time in the miscellaneous classification after November 16, 2012, and age 62 for new local miscellaneous members.

2. Public Agency shall participate in the Public Employees' Retirement System from and after June 1, 2006, making its employees as hereinafter provided, members of said System subject to all provisions of the Public Employees' Retirement Law except such as apply only on election of a contracting agency and are not provided for herein and to all amendments to said Law hereafter enacted except those, which by express provisions thereof, apply only on the election of a contracting agency.

3. Public Agency agrees to indemnify, defend and hold harmless the California Public Employees' Retirement System (CalPERS) and its trustees, agents and employees, the CalPERS Board of Administration, and the California Public Employees' Retirement Fund from any claims, demands, actions, losses, liabilities, damages, judgments, expenses and costs, including but not limited to interest, penalties and attorney fees that may arise as a result of any of the following:

    a. Public Agency's election to provide retirement benefits, provisions or formulas under this Contract that are different than the retirement benefits, provisions or formulas provided under the Public Agency's prior non-CalPERS retirement program.

    b. Any dispute, disagreement, claim, or proceeding (including without limitation arbitration, administrative hearing, or litigation) between Public Agency and its employees (or their representatives) which relates to Public Agency's election to amend this Contract to provide retirement benefits, provisions or formulas that are different than such employees' existing retirement benefits, provisions or formulas.

    c. Public Agency's agreement with a third party other than CalPERS to provide retirement benefits, provisions, or formulas that are different than the retirement benefits, provisions or formulas provided under this Contract and provided for under the California Public Employees' Retirement Law.

4. Employees of Public Agency in the following classes shall become members of said Retirement System except such in each such class as are excluded by law or this agreement:

    a. Employees other than local safety members (herein referred to as local miscellaneous members).

5. Any exclusion(s) shall remain in effect until such time as the Public Employees' Retirement System determines that continuing said exclusion(s) would risk a finding of non-compliance with any federal tax laws or regulations. If such a determination is contemplated, the Public Employees' Retirement System will meet with the Public Agency to discuss the matter and coordinate any required changes or amendments to the contract.

   In addition to the classes of employees excluded from membership by said Retirement Law, the following classes of employees shall not become members of said Retirement System:

   a. **SAFETY EMPLOYEES; AND**

   b. **MEMBERS OF THE GOVERNING BODY FIRST ELECTED OR APPOINTED PRIOR TO JULY 1, 1994.** (Elected or appointed officials who are first elected or appointed on or after July 1, 1994, or to a term of office not consecutive with a term held on June 30,1994, are excluded pursuant to Government Code Section 20322).

6. The percentage of final compensation to be provided for classic local miscellaneous members for each year of credited prior service is 10% and the percentage of final compensation to be provided for each year of credited current service is 100% for classic local miscellaneous members entering membership in the miscellaneous classification on or prior to November 16, 2012, and determined in accordance with Section 21354 of said Retirement Law (2% at age 55 Supplemental to Federal Social Security).

7. The percentage of final compensation to be provided for each year of credited current service as a classic local miscellaneous member entering membership for the first time in the miscellaneous classification after November 16, 2012, to contract shall be determined in accordance with Section 21353 of said Retirement Law (2% at age 60 Supplemental to Federal Social Security).

8. The percentage of final compensation to be provided for each year of credited prior and current service as a new local miscellaneous member shall be determined in accordance with Section 7522.20 of said Retirement Law (2% at age 62 Supplemental to Federal Social Security).

9. Public Agency elected and elects to be subject to the following optional provisions:

    a. Section 20325 (Optional Membership for Part-Time Employees) for classic local miscellaneous members entering membership on or prior to November 16, 2012.

    b. Section 20475 (Different Level of Benefits): 21353 (2% @ 60 Supplemental formula) without Section 20325 (Optional Membership for Part-Time Employees) and 21031 (Public Service Credit for Limited Prior Service) is applicable to local miscellaneous members entering membership for the first time with this agency in the miscellaneous classification after November 16, 2012.

    c. Section 20938 (Limit Prior Service to Members Employed on Contract Date).

    d. Section 21031 (Public Service Credit for Limited Prior Service) for classic local miscellaneous members entering membership on or prior to November 16, 2012.

10. Public Agency shall contribute to said Retirement System the contributions determined by actuarial valuations of prior and future service liability with respect to local miscellaneous members of said Retirement System.

11. Public Agency shall also contribute to said Retirement System as follows:

    a. A reasonable amount, as fixed by the Board, payable in one installment within 60 days of date of contract to cover the costs of administering said System as it affects the employees of Public Agency, not including the costs of special valuations or of the periodic investigation and valuations required by law.

    b. A reasonable amount, as fixed by the Board, payable in one installment as the occasions arise, to cover the costs of special valuations on account of employees of Public Agency, and costs of the periodic investigation and valuations required by law.

    c. Contributions required of Public Agency and its employees shall be subject to adjustment by Board on account of amendments to the Public Employees' Retirement Law, and on account of the experience under the Retirement System as determined by the periodic investigation and valuation required by said Retirement Law.

11. Contributions required of Public Agency and its employees shall be paid by Public Agency to the Retirement System within fifteen days after the end of the period to which said contributions refer or as may be prescribed by Board regulation. If more or less than the correct amount of contributions is paid for any period, proper adjustment shall be made in connection with subsequent remittances. Adjustments on account of errors in contributions required of any employee may be made by direct payments between the employee and the Board.

B. This amendment shall be effective on the ____day of_____, _____.

Letter of Concern Regarding Ground Squirrel Infestation and Safety Hazards at Hamilton Street Park

Dear Members of the Arcade Creek Recreation and Park District Board of Directors,

I am writing to express my concern regarding the ongoing ground squirrel infestation at Hamilton Street Park and the safety hazards it has created for park users.

I walk my dogs at Hamilton Street Park approximately five days per week and have observed the squirrel population continue to grow over the past five years. The squirrels have established burrows around the park, including near the bases of several oak trees and throughout open grassy areas. As a result, numerous holes have developed in the ground, creating dangerous tripping hazards for pedestrians.

Recently, I personally tripped in one of these holes while walking through the park. Fortunately, I was not seriously injured, but the incident highlighted the risk these burrows pose to park visitors. Elderly residents, children, dog walkers, runners, and others using the park could easily suffer injuries from stepping into one of these concealed holes.

This issue has persisted for several years, and I believe it now warrants immediate attention. In addition to the potential damage to trees and park landscaping, the extensive burrowing activity is creating an increasingly unsafe environment for those who regularly use the park.

I respectfully request that the Board evaluate the squirrel population at Hamilton Street Park and consider implementing appropriate wildlife management measures to reduce the infestation. I also ask that any existing burrows and ground holes be filled and repaired to eliminate the current tripping hazards.

Hamilton Street Park is an important community resource, and I hope steps can be taken to ensure it remains both safe and enjoyable for all visitors.

I would appreciate being informed of any actions planned or taken to address these concerns.

Sincerely,

Erin Matz

Hi Brandy.

This is Cheryl[redacted] I sent you a text to your cell phone number 916.743.2281 yesterday, Thursday the 12th at 4:02 afternoon.

As I told you in my text, a gentleman in the office named Thomas gave me your card with your phone number and said it was to contact you.

I have yet to hear from you and it is already 10:30 on Friday morning.

The question, again: Are the Board of Directors proposing a Dog Park to be located on the Myrtle Ave side of Hamilton Street Park?

A simple yes or no reply to my simple question would be appreciated.

Thank you

CARPD Priority Bill List as of October 6, 2026

Budget

AB 179 (Committee on Budget) Housing. (Chaptered 07/13/2026)
Existing law establishes the Business, Consumer Services, and Housing Agency consisting of various state entities, including the Department of Housing and Community Development and the California Housing Finance Agency. Pursuant to the Governor's Reorganization Plan No. 1 of 2025, beginning July 1, 2026, existing law eliminates that agency and establishes the California Housing and Homelessness Agency consisting of various state entities, including the Department of Housing and Community Development and the California Housing Finance Agency. Existing law requires these entities to oversee and administer various state housing programs, including multifamily affordable housing programs. This bill would, to the extent feasible, require a state entity within the California Housing and Homelessness Agency to consider quantifiable in-kind local contributions, defined as a financial or in-kind commitment by a city, county, or city and county, as specified, when awarding competitive multifamily affordable housing funding for new construction projects, as specified. If a city, county, or city and county is a lead applicant for a project in an affordable multifamily rental or ownership housing development administered by a state entity within that agency and has not committed to waiving any development impact fee, as defined, that it would otherwise impose on the project, the bill would require the awarding agency to reduce the total award amount for the project, as specified. The bill would make these provisions applicable to any notice of funding opportunity issued after July 1, 2027. (Based on 07/13/2026 text)

AB 387 (Alanis) Nevaeh Youth Sports Safety Act. (Chaptered 09/27/2026)
Existing law, the Nevaeh Youth Sports Safety Act, requires a youth sports organization to ensure, by January 1, 2028, that its athletes have access to an automated external defibrillator (AED) during any official practice or match. Existing law requires a youth sports organization, commencing January 1, 2028, to ensure that its AED is maintained and tested according to specified operation and maintenance guidelines. This bill would require, commencing January 1, 2028, a public or private local facility with a permanent sports infrastructure, as defined, to ensure that the youth sports organization has access to an AED procured and maintained by the facility during an official practice or match permitted by the facility, except as specified with respect to local educational agencies. The bill would require the youth sports organization, commencing January 1, 2028, to ensure there is access to an operational AED if an AED is not available at a public or private local facility where an official practice or match is taking place. The bill would additionally require a public or private local facility, commencing January 1, 2028, to ensure that its AED is maintained and tested according to specified operation and maintenance guidelines. The bill would require a public or private local facility to work in collaboration with the youth sports organization to ensure that any AED that is installed be accessible to youth sports organizations at the time of official practices or matches permitted by the facility. The bill would require a public or private local facility that has installed an AED to work with the youth sports organization to identify means to share the financial costs associated with ensuring the AED is maintained and accessible at the facility, or to identify means to share the financial costs associated with installing an AED at the facility. AB 708 (Valencia) California Youth Football Act: safety equipment. (Chaptered 09/28/2026)
Existing law, the California Youth Football Act, requires a youth sports organization that conducts a tackle football program to comply with certain requirements, including, among other things, not conducting more than 2 full-contact practices per week during the preseason and regular season, not holding a full-contact practice during the off-season, and having each football helmet reconditioned and recertified every other year, as specified. This bill would require a youth tackle football league, youth sports organization that conducts a tackle football program, or coach of a youth sports organization to allow youth tackle football participants to use safety equipment, including soft-shell add-ons on football helmets. The bill would authorize a court to grant injunctive

relief to remedy a violation or threatened violation of this requirement, and would entitle a prevailing plaintiff who obtains injunctive relief to reasonable attorney's fees and costs. This bill would prohibit the warranty or safety certification of a football helmet put into play on or after January 1, 2027, with a soft-shell add-on from being voided because of the use of the soft-shell add-on with the football helmet unless certain conditions are met. AB 1626 (Gabriel) Interscholastic athletics: youth sports: coaches: behavioral and mental health training. (Chaptered 09/30/2026)
Existing law requires the governing board of each school district to have general control of, and be responsible for, all aspects of the interscholastic athletic policies, programs, and activities in its school district, as provided, and requires the governing board of a school district to ensure that all interscholastic policies, programs, and activities in the school district are in compliance with state and federal law. Existing law authorizes the governing board of a school district to enter into associations or consortia with other governing boards for purposes of governing regional or statewide interscholastic athletics, as provided. Existing law, the 1998 California High School Coaching Education and Training Program, declares the intent of the Legislature to establish a

California High School Coaching Education and Training Program, to be administered by school districts with an emphasis on specific components, including, among other components, sports psychology. Existing law requires every high school sports coach to complete, at their own expense, a coaching education program that meets the guidelines established by the California High School Coaching Education and Training Program. This bill would require specified trainings for coaches described in AB 1665 of the 2025–26 Regular Session to cover specified mental-health related topics, including, among other topics, trauma-informed care, as provided, and strategies of creating a positive team culture, as provided. The bill would require the department, on or before September 1, 2027, to identify existing training or develop a model youth athletics behavioral and mental health training, as specified, for persons who serve as coaches in youth sports organizations, both for recreational leagues and competitive or club leagues. The bill would require the department to post the training on its internet website and work with local partners to disseminate the training to appropriate youth athletic leagues, youth coaching entities, and relevant statewide organizations and associations. Existing law requires every high school sports coach to complete, at their own expense, a coaching education program that meets the guidelines established by the California High School Coaching Education and Training Program. This bill would add a component on mental health training, as specified, to the list of components to be emphasized by the 1998 California High School Coaching Education and Training Program. The bill, commencing with the 2027–28 school year, would require a person who serves as a coach in an interscholastic athletic program at a high school, including a private school, that is a member of the California Interscholastic Federation to complete an initial training, and a subsequent training every 2 years, on mental health, as provided. The bill, commencing with the 2027–28 school year, would also require a school district, county office of education, or charter school that elects to offer an athletic program, other than an interscholastic athletic program, to ensure that the athletic program's coaches complete an initial training, and a subsequent training every 2 years, that covers sudden

cardiac arrest, as provided, and youth athletics behavioral and mental health training, as provided. This bill would incorporate additional changes to Section 35179.1 of the Education Code proposed by AB 1626 to be operative only if this bill and AB 1626 are enacted and this bill is enacted last. AB 1804 (Hart) State parks: parks passes: libraries. (Chaptered 09/29/2026)
Existing law authorizes the Department of Parks and Recreation to collect fees, rents, and other returns for the use of any state park system area, as provided. Existing law authorizes the department to establish the California State Park Adventure Pass to be available, upon application to the department, to any child in grade 4, or grade 4 equivalent, who is a California resident and enrolled in a California public school. Existing law authorizes the department to waive the day use entrance fees to an eligible unit of the state park system for any child who holds a valid pass, as provided. The bill would declare, among other things, that it is the policy of the state to ensure equitable and inclusive access to the state park system by empowering the department to administer programs that broaden public access to the state parks. The bill would authorize the department to work with the California State Library and individual library systems to provide park passes. (Based on 09/29/2026 text)

AB 1954 (Ward) Municipal golf courses: reservations. (Chaptered 09/27/2026)
Existing law authorizes a city to purchase, lease, receive, hold, and enjoy real and personal property, and control and dispose of that property for the common benefit. Existing law authorizes the legislative body of a city to acquire property needed for specified purposes, including golf courses. This bill would prohibit an operator of a third-party golf reservation service platform from listing, advertising, promoting, selling, or transferring reservations for a golf course owned by a local public agency without a written authorization from the golf course operator, as specified. The bill would exempt from this prohibition the sale or transfer of a reservation, for no more than the amount paid, by an individual who purchased the reservation, if the golf course operator does not clearly post their cancellation policy on the internet website where the reservation is secured. The bill would include findings that changes proposed by this bill address a matter of statewide concern rather than a municipal affair and, therefore, apply to all cities, including charter cities. AB 1985 (Irwin) Student health: athletic coaches and trainers: mental health training. (Chaptered 09/30/2026)
Existing law establishes the California Community Colleges, the California State University, the University of California, independent institutions of higher education, and private postsecondary educational institutions as the segments of postsecondary education in the state. This bill, which would be known as Sarah Shulze's Law, would require each campus of the California State University, each community college of a community college district, and each private postsecondary educational institution and independent institution of higher education that receives state financial assistance, and would request each campus of the University of California, to require a person who serves as a coach or trainer in an athletic program, as a condition of the person's employment or volunteer service, to complete a student mental health training on or before July 1, 2028, and every 2 years thereafter. The bill would require the training, at a minimum, to cover suicide prevention education and would authorize the training to be provided by an entity that offers free, online, or other types of training courses. By imposing new duties on community college districts, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws. AB 2006 (Rodriguez, Michelle) State government: office buildings: daycare centers. (Chaptered 09/27/2026)
Existing law, the California Child Day Care Facilities Act, sets forth requirements for licensure as a daycare center. This bill, except as specified, would authorize on and after January 1, 2027, when the state constructs, acquires, or receives as a gift any office building that can accommodate state employees, or when additions, alterations, or repairs are made to any existing state-owned office building, and the additions, alterations, or repairs both change and affect the use of 25 percent of the net square foot area of the building and include addition to, alteration of, or repair of the first floor, priority to be given to licensed childcare providers, as defined, that seek to contract with the Director of General Services (director) to use a part of the space as a daycare center, as defined. The bill would subject the use of the space as a daycare center to terms and conditions set forth by the director, including as to cost. This bill would authorize the director to secure other space not attached to a state-owned office building for use as a daycare center if funds are made available for those purposes and the director determines one of certain conditions exist. The bill would also authorize existing state-owned office buildings to be retrofitted to accommodate a daycare center at the director's discretion, to the extent that state funds are made available for those purposes. The bill would set forth priority for enrollment of children in daycare centers established pursuant to the bill's provisions. This bill contains other related provisions. (Based on 09/27/2026 text)

AB 2007 (Bauer-Kahan) Youth programs: identifying information of youth. (Chaptered 09/30/2026)
Existing law makes a person who knowingly uses another's name, voice, signature, photograph, or likeness, in any manner, on or in products, merchandise, or goods, or for purposes of advertising or

selling, or soliciting purchases of, products, merchandise, goods, or services, without that person's prior consent, or, in the case of a minor, the prior consent of the person's parent or legal guardian, liable for damages, as specified, among other remedies, as prescribed. Existing law generally regulates organizations and businesses that provide athletic, instructional, or other services to minors by imposing disclosure, training, background check, and child abuse prevention requirements on those entities and their personnel. This bill would prohibit an entity or organization that operates a specified nonschool youth program from using certain identifying information of a youth, including their picture, video, audio recording, likeness, and attributed statements, for communications, marketing, or other purpose that exposes that information to the public unless the entity or organization obtains the parent or guardian's express written consent on a specified notice. The bill would prohibit the entity or organization from making a youth's enrollment or participation in the program contingent upon a parent or guardian consenting to the program's use of the youth's information for any communications, marketing, or other purpose that exposes that information to the public. The bill would authorize a parent or guardian to revoke consent, as specified. This bill would authorize a parent or guardian to bring a civil action against an entity or organization for noncompliance with these provisions and would provide for specified remedies, including, among others, specified civil penalties per youth who has had the youth's information disclosed and injunctive or declaratory relief. AB 2314 (Rogers) Childcare: alternative payment program. (Vetoed 09/27/2026)
Existing law, the Child Care and Development Services Act, administered by the State Department of Social Services, requires the department to administer childcare and development programs that offer a full range of services to eligible children from infancy to 13 years of age, inclusive. Existing law requires the department to contract with local contracting agencies for alternative payment programs for childcare services to be provided throughout the state. Existing law then requires alternative payment programs to reimburse childcare providers for providing childcare to eligible children. This bill would, beginning October 1, 2027, authorize alternative payment programs with clear contracts and that are in full compliance with certain requirements to submit written requests to the department for a voluntary temporary transfer of funds. The bill would require the department to acknowledge receipt of the request within 30 calendar days of receiving it. The bill would require the department to provide the contractor with a written decision within 90 calendar days of receiving the request and notify the local childcare planning council in writing if a voluntary temporary transfer request is approved. The bill would authorize the department to implement these provisions by means of all-county letters, childcare bulletins, or similar written instructions until regulations are adopted. AB 2429 (Rubio, Blanca) Childcare: mental health consultation services. (Chaptered 09/20/2026)

The Child Care and Development Services Act, administered by the State Department of Social Services, establishes a system of childcare and development services for children up to 13 years of age. The Early Education Act requires the Superintendent of Public Instruction, to, among other things, provide an inclusive and cost-effective preschool program. Under both acts, the cost to a provider agency of providing an early childhood mental health consultation service is reimbursable if certain requirements are met, including that the consultation service uses a relationship-based model that includes specified components, including, among others, that, at least twice per program year, early care- and education setting-based mental health assessments are conducted and that there is, with the consent of parents or legal guardians, at least one screening of each enrolled child for adverse childhood experiences and screening for buffering factors. This bill would remove the requirement that the consultation service use a relationship-based model that includes those components in order to be reimbursable and would instead require that, in order to be reimbursable, the consultation service, among other things, uses a relationship-based model that incorporates, at least once per school or program year, an early care and education classroom observation tool that includes measures on the classroom environment, social-emotional learning climate, and teacher and child interactions to guide the specific activities and support the consultant will provide. SB 1268 (Gonzalez) Outdoor public recreation spaces: equitable access. (Chaptered 09/29/2026)

Existing law establishes the Natural Resources Agency, which consists of various departments, including the Department of Conservation, the Department of Fish and Wildlife, and the Department of Parks and Recreation. Existing law vests in the Natural Resources Agency various powers, including those related to conservation of lands. By Executive Order No. N-82-20, Governor Gavin Newsom directed the Natural Resources Agency to combat the biodiversity and climate crises by, among other things, establishing the California Biodiversity Collaborative and conserving at least 30% of the state's lands and coastal waters by 2030. Existing law establishes the Equitable Outdoor Access Act (act), which sets forth the state's commitment to ensuring all Californians can benefit from, and have meaningful access to, the state's rich cultural and natural resources. Existing law declares that it is state policy, among other things, to ensure that all Californians have equitable opportunities to safe and affordable access to nature and access to the benefits of nature, and to prevent and minimize the intentional and unwarranted limitation of sustainable public access to public lands, where appropriate, including, but not limited to, local, regional, state, and federal parks, rivers, lakes, beaches, forests, mountain ranges, deserts, and other natural landscapes. Existing law requires specified state agencies to consider and incorporate, as appropriate, the state policy when revising, adopting, or establishing policies, regulations, or grant criteria, or making expenditures, as specified. Existing law requires all state agencies implementing the above-described state policy to do so in a manner consistent with the mission of their agency and that protects the health and safety of the public and conserves natural and cultural resources. This bill would establish the Outdoors for All initiative, to be administered by the Natural Resources Agency, in consultation with specified state entities, to advance the

objectives of the act and to implement and update specified priorities, including, among other related priorities, establishing outdoor public recreation spaces, as defined, connecting people and the outdoors, and aligning funding to achieve the initiative's goals, as specified. The bill would require the agency to report, on or before January 1, 2028, and annually thereafter, to the appropriate policy and fiscal committees of the Legislature on the progress made to achieve the initiative's goals, as specified.This bill contains other existing laws. AB 2319 (Schultz) Personal Income Tax Law: Corporation Tax Law: credits: qualified motion picture: post-production. (Chaptered 09/19/2026)
The Personal Income Tax Law and the Corporation Tax Law allow various credits against the taxes imposed by those laws, including various motion picture credits, commonly referred to as motion picture credit 1.0, 2.0, 3.0, and 4.0, and the certified studio credit, to be allocated by the California Film Commission in differing amounts equal to specified percentages of the qualified expenditures of a qualified motion picture in this state. Existing law establishes the continuously appropriated Tax Relief and Refund Account and the Corporation Tax Fund and provides that payments required to be made to taxpayers or other persons are to be paid from those funds. This bill would allow a credit against those taxes in an amount between 35% and 50% of qualified expenses relating to the post-production of a qualified motion picture in California to be allocated by the California Film Commission, as specified. The bill would require the credit to be administered in the same manner as the motion picture credit 4.0, except as specified. The bill would require the California Film Commission to utilize a post-production services ratio, as defined, to allocate credits, as specified. The bill would limit the aggregate amount of credits allocated in a fiscal year based on a determination made by the Legislature in the annual Budget Act plus additional amounts, as described. The bill would require that 85% of the total allocable credits are reserved for qualified taxpayers that attest, under penalty of perjury, that they will abide by specified labor condition requirements. By expanding the scope of the crime of perjury, this bill would impose a state-

mandated locale program. This bill would allow a qualified taxpayer to elect to be paid a refund if the amount allowable as a credit exceeds the qualified taxpayer's tax liability for the taxable year, as specified. By requiring moneys to be paid from the Tax Relief and Refund Account and the Corporation Tax Fund, the bill would make an appropriation. SB 945 (Weber Pierson) School curriculum: physical education framework: cardiopulmonary resuscitation: automated external defibrillators. (Chaptered 09/30/2026)
Existing law requires the governing board of a school district or the governing body of a charter school that requires a course in health education for graduation from high school to include instruction in performing compression-only cardiopulmonary resuscitation (CPR), as provided. Existing law also encourages those entities to provide to pupils general information on the use and importance of an automated external defibrillators (AED). Existing law further requires the State Department of Education to provide guidance on how to implement these provisions, including, but not limited to, who may provide instruction. Existing law establishes the Instructional Quality Commission and requires the commission to, among other things, recommend curriculum frameworks to the State Board of Education. This bill would require the commission, when the physical education framework is next revised after January 1, 2027, to consider including content on the importance, performance, and use of CPR and AEDs in that framework. Elections, Political Reform, and Redistricting

SB 1164 (Cervantes) Elections. (Chaptered 09/19/2026)
The California Voting Rights Act of 2001 (CVRA) prohibits a political subdivision from imposing or applying an at-large method of election for members of the political subdivision's governing body in a manner that impairs the ability of a protected class to elect candidates of its choice or its ability to influence the outcome of an election, as specified. Existing law requires courts to implement appropriate remedies, including the imposition of district-based elections, for violations of the CVRA. This bill would revise the CVRA. The bill would prohibit a political subdivision or state agency from implementing, imposing, or enforcing any election policy or practice, as defined, that results in, or is likely to result in, voter suppression. An election policy or practice would result in voter suppression if it (1) causes a material disparity in voter participation, access to voting

opportunities, or the opportunity or ability to participate in the political process for members of a protected class, which is defined as any race, color, or language-minority group; or (2) based on the totality of circumstances, causes an impairment of the equal opportunity or ability of members of a protected class to participate in the political process. An election policy or practice would not violate the prohibition on voter suppression if the political subdivision or state agency demonstrates, by clear and convincing evidence, that the election policy or practice is necessary to significantly further a compelling and particularized governmental interest and there is no reasonable alternative that comparably furthers the governmental interest and results in a smaller disparity between members of a protected class and other members of the electorate. This bill contains other related provisions and other existing laws. (Based on 09/19/2026 text)

SB 1360 (Cervantes) Elections: translation of election materials. (Chaptered 09/19/2026)
The federal Voting Rights Act of 1965 requires a state or political subdivision in which more than 5% of voting-age citizens, or more than 10,000 voting-age citizens, are members of a single language minority and limited-English proficient to provide certain election materials, including ballots, in the language of the applicable language minority group. Existing state law requires the Secretary of State to determine for each county and precinct whether it is appropriate to provide facsimile copies of the ballot and other election materials in languages other than English. If the Secretary of State determines the number of voting age residents in a county or precinct who are members of a single language minority, and who lack sufficient skills in English to vote without assistance, is 3% or more of the voting-age residents of the county or precinct, county elections officials must provide facsimile ballots and other election materials in the applicable language. This bill would require the Secretary of State, on or before December 15, 2031, and on or before December 15 in every year ending in 1 or 7 thereafter, to identify the counties where at least 10,000 voting age citizens, or 5% of voting age citizens, are limited English proficient and either members of a single language minority group or speak a shared language. The bill would require the elections official in an identified political subdivision to provide translated election materials in any language that meets those criteria or, for an election occurring before December 15, 2031, in any language in which the political subdivision is required to provide language assistance under the Voting Rights Act of 1965, within a specified period of time. The elections official would be required to translate, among other things, all official and sample ballots, voter registration forms, and election notices and instructions. The elections official would also be required to have a sufficient number of bilingual election workers to provide language assistance to any voter who needs it. This bill contains other related provisions and other existing laws. (Based on 09/19/2026 text)

AB 2513 (Petrie-Norris) Wildfire: Regional Forest and Fire Capacity Program: local assistance grant program: regional landscape grants. (Chaptered 09/29/2026)
Existing law requires the Wildfire and Forest Resilience Task Force, including the Natural Resources Agency, the California Environmental Protection Agency, the Office of Planning and Research, and the Department of Forestry and Fire Protection, in coordination with certain public agencies, to develop a comprehensive implementation strategy to track and ensure the achievement of the goals and key actions identified in California's Wildfire and Forest Resilience Action Plan, as provided. Existing law requires the task force, on or before March 1, 2026, and every 5 years thereafter, to update that action plan, as provided. This bill would authorize the Director of the Department of Conservation to directly award regional landscape grants to regional entities to implement the above-described regional priority strategies to contribute to the achievement of the goals of California's Wildfire and Forest Resilience Action Plan, as specified. The bill would extend the authorization for the department to award advance payments of grants awarded pursuant to the program indefinitely. SB 1370 (Stern) Covered wildfire mitigation projects: consolidated and expedited review. (Chaptered 09/29/2026)
Existing law establishes in the Natural Resources Agency the Department of Forestry and Fire Protection, which is known as and may be referred to as CAL-FIRE. Existing law establishes in CAL-FIRE the Office of the State Fire Marshal and requires that office to establish the Community Wildfire Mitigation Assistance Program to coordinate regional and local efforts with state policies, strategies, and programs for community wildfire mitigation in order to improve wildfire preparedness and prevention, with an emphasis on the most vulnerable communities. This bill would require that, notwithstanding any other law, any state-level environmental and resource permits, approvals, consultations, and reviews required for a covered wildfire mitigation project, as defined, be consolidated into a single coordinated review by a project review team, as defined, and administered jointly by the consolidated review agencies, defined as the Natural Resources Agency in coordination with the California Environmental Protection Agency. The bill would require an applicant seeking authorization to undertake a covered wildfire mitigation project to submit a single, consolidated application package to the consolidated review agencies. The bill would require a decision to be rendered by the consolidated review agencies within 60 calendar days of the consolidated review agencies deeming an application is complete, as provided, and would authorize the applicant and the consolidated review agencies to agree to extend the 60-day timeline if both parties agree to the extension. The bill would require the approvals to be in writing and to include specified information, including, among other things, a description of the project and a list of permits, agreements, consultations, or approvals waived by the review agencies' authorization. This bill would further provide for an expedited authorization, as defined, issued pursuant to these requirements, which would waive the requirement that the covered wildfire mitigation project comply with statutes, rules, regulations, and requirements, within the jurisdiction of boards, departments, commissions, offices, and agencies within the consolidated review agencies, except as provided. The expedited authorization would replace any other permit,

agreement, or authorization required by state statutes, rules, regulations, and requirements that falls within the jurisdiction of boards, departments, commissions, offices, and agencies within the consolidated review agencies. AB 1666 (Rogers) Forest management: biomass innovation parks: wood products. (Vetoed 09/30/2026)
Existing law establishes the Department of Forestry and Fire Protection (CAL-FIRE) in the Natural Resources Agency and requires CAL-FIRE to coordinate programs of fire protection, fire prevention, pest control, and forest and range maintenance and enhancement. Existing law requires the Secretary of the Natural Resources Agency to establish a working group on expanding wood product markets that can utilize woody biomass, especially biomass removed from high fire hazard zones, as determined by CAL-FIRE. This bill would enact the Biomass Innovation Parks Act, which would establish the Biomass Innovation Park Grants and Financing Program, to be administered by the agency. The bill would require the agency, in coordination with the Department of Food and Agriculture (department) and CAL-FIRE, on or before September 30, 2027, to identify one or more biomass innovation parks, as provided. The bill would require the agency, in coordination with the department and CAL-FIRE, to develop guidelines and solicit proposals from an eligible applicant, as defined, to develop, operate, and manage a biomass innovation park, as provided. The bill would require the guidelines to include specified things, including, among other things, that each park shall only process wood waste, as defined, that originated in California, that each park only host projects that use a noncombustion technology to convert wood waste into carbon-beneficial products or end uses, as specified, and that each park establish a community benefits program. In order to facilitate a planning process for identifying parks, the bill would authorize the agency, in coordination with the department and CAL-FIRE, to develop guidance on specified things, including, among others, guidance for a public agency and private industry to partner on a park proposal. AB 35 (Alvarez) Safe Drinking Water, Wildfire Prevention, Drought Preparedness, and Clean Air Bond Act of 2024: Administrative Procedure Act: exemption: program guidelines and selection criteria. (Chaptered 07/16/2026)

Existing law, the Administrative Procedure Act, sets forth the requirements for the adoption, publication, review, and implementation of regulations by state agencies. The Safe Drinking Water, Wildfire Prevention, Drought Preparedness, and Clean Air Bond Act of 2024 (act), approved by the voters as Proposition 4 at the November 5, 2024, statewide general election, authorized the issuance of bonds in the amount of $10,000,000,000 pursuant to the State General Obligation Bond Law to finance projects for safe drinking water, drought, flood, and water resilience, wildfire and forest resilience, coastal resilience, extreme heat mitigation, biodiversity and nature-based climate solutions, climate-smart, sustainable, and resilient farms, ranches, and working lands, park creation and outdoor access, and clean air programs. Existing law authorizes certain regulations needed to effectuate or implement programs of the act to be adopted as emergency regulations in accordance with the Administrative Procedure Act, as provided. Existing law requires the emergency regulations to be filed with the Office of Administrative Law and requires the emergency regulations to remain in effect until repealed or amended by the adopting state agency. This bill, notwithstanding the above, would exempt the adoption of regulations needed to effectuate or implement programs of the act from the requirements of the Administrative Procedure Act, as provided. The bill would require a state entity that receives funding to administer a competitive grant program established using the Administrative Procedure Act exemption to do certain things, including, among other things, to develop draft project solicitation and evaluation guidelines, to transmit copies of those guidelines to the fiscal committees and to the appropriate policy committees of the Legislature, to hold a noticed public meeting on those guidelines, and to submit those guidelines to the Secretary of the Natural Resources Agency, except as provided. The bill would require the Secretary of the Natural Resources Agency to post an electronic form of the guidelines submitted by a state entity and the subsequent verifications on the Natural Resources Agency's internet website. The bill would authorize the use of certain previously developed program guidelines and selection criteria for these purposes, as provided. This bill contains other related provisions and other existing laws. (Based on 07/16/2026 text)

AB 643 (Wilson) Climate change: short-lived climate pollutants: organic waste reduction. (Chaptered 09/20/2026)

Existing law establishes methane emissions reduction goals that include a target to reduce landfill disposal of organics by 75% of the 2014 level of the statewide disposal of organic waste by 2025.

Existing law requires the Department of Resources Recycling and Recovery, in consultation with the State Air Resources Board, to adopt regulations to achieve the organic waste reduction goals. Existing law authorizes a local jurisdiction to count specified recovered organic waste products towards up to 10% of its recovered organic waste procurement target. This bill would additionally authorize a local jurisdiction to count a beneficial agricultural amendment derived from organic waste that may include biosolids towards up to that 10% of its recovered organic waste procurement target if the material meets the requirements to be deemed to constitute a reduction in landfill disposal, the material is registered or approved for end use as a fertilizing material by the Department of Food and Agriculture, and the material is not derived from, or processed using, specified activities relating to the final deposition or management of solid waste, as provided. The bill would require the amount of the procured materials to be calculated using the dry weight of the materials. This bill contains other related provisions and other existing laws. AB 2635 (Rodriguez, Celeste) Air pollution: small off-road engines: voucher programs: local regulation. (Vetoed 09/20/2026)
Existing law requires the State Air Resources Board, by July 1, 2022, consistent with federal law, to adopt cost-effective and technologically feasible regulations to prohibit engine exhaust and evaporative emissions from new small off-road engines, as defined by the state board. Existing law requires those regulations to apply to engines produced on or after January 1, 2024, or as soon as the state board determines is feasible, whichever is later, and requires the state board to identify, and, to the extent feasible, make available, funding for commercial rebates or similar incentive funding, as specified. This bill would require, to the extent that funding is appropriated by the Legislature, each large and medium air pollution control and air quality management district, no later than January 1, 2028, to implement and maintain a commercial voucher program to support the transition to zero-emission small off-road equipment consistent with specified requirements. By requiring districts to establish a new program, the bill would impose a state-mandated local program. The bill would also require a small rural district or local government that chooses to adopt such a program to comply with specified requirements in administering the program. This bill would prohibit the punishment of a violation of an ordinance adopted by a local government governing the use of any small off-road engine landscaping equipment as an infraction or misdemeanor, and would provide that the ordinance is only punishable by an administrative fine imposed in accordance with specified requirements. AB 883 (Lowenthal) Data brokers: accessible deletion mechanism: deletion of personal information of elected officials and judges. (Chaptered 09/27/2026)

Existing law establishes the California Privacy Protection Agency (CPPA) to enforce various laws protecting the privacy of individuals. If a business knowingly collects and sells to third parties the personal information of a consumer with whom the business does not have a direct relationship, existing law requires the business to register with the CPPA as a data broker, except as specified. Existing law requires the CPPA to establish an accessible deletion mechanism that allows a consumer to request that every data broker delete any personal information related to that consumer held by the data broker or associated service provider or contractor, as prescribed. Existing law requires, beginning August 1, 2026, a data broker to access that deletion mechanism at least once every 45 days and, among other things, process all deletion requests and delete all personal information related to the consumers making the requests, as specified. This bill would change the above-described 45-day period to a 30-day period and make conforming changes. This bill would require the Secretary of State, certain local government officials, the Judicial Council, and the State Bar of California to notify any state elected official, local elected official, or judge, as applicable, that the person may submit a request to delete that person's personal information through the above-described accessible deletion mechanism, as prescribed. By imposing additional duties on local government officials, this bill would impose a state-mandated local program. This bill would authorize the Attorney General, a county counsel, or a city attorney to bring a civil action, on behalf of an elected official or judge, against a data broker who violates certain personal information deletion requirements, as prescribed. This bill would make its provisions relating to the notice and enforcement of requests for deletion of personal information of elected officials and judges operative on July 1, 2027. AB 1198 (Haney) Public works: prevailing wages. (Chaptered 09/27/2026)

Existing law requires that, except as specified, not less than the general prevailing rate of per diem wages, determined by the Director of Industrial Relations, be paid to workers employed on public works projects. Existing law requires the body awarding a contract for a public work to obtain from the director the general prevailing rate of per diem wages for work of a similar character in the locality in which the public work is to be performed, and the general prevailing rate of per diem wages for holiday and overtime work, for each craft, classification, or type of worker needed to execute the contract. Under existing law, if the director determines during any quarterly period that there has been a change in any prevailing rate of per diem wages in a locality, the director is required to make that change available to the awarding body and their determination is final. Under existing law, that determination does not apply to public works contracts for which the notice to bidders has been published. This bill would instead state, commencing July 1, 2027, that if the director determines, within a semiannual period, that there is a change in any prevailing rate of per diem wages in a locality, that determination applies to any public works contract that is awarded or for which notice to bidders is published after July 1, 2027, if the awarded value of the contract is $35,000,000 or greater. The bill would authorize any contractor, awarding body, or specified representative affected by a change in rates on a particular contract to, within 20 days, file with the director a verified petition to review the determination of that rate, as specified. The bill would require the director to, upon notice to the interested parties, initiate an investigation or hold a hearing, and, within 20 days after the filing of that petition, except as specified, make a final

determination and transmit the determination in writing to the awarding body and to the interested parties. The bill would make that determination issued by the director effective 10 days after its issuance, and until it is modified, rescinded, or superseded by the director. The bill would exempt certain housing projects from these provisions, including, among others, projects that are restricted by deed or subject to regulatory restrictions contained in an agreement with a governmental agency or other recorded document, as specified. AB 1331 (Elhawary) Workplace surveillance. (Chaptered 09/30/2026)
Existing law establishes the Division of Labor Standards Enforcement within the Department of Industrial Relations. Existing law authorizes the division, which is headed by the Labor Commissioner, to enforce the Labor Code and all labor laws of the state the enforcement of which is not specifically vested in any other officer, board, or commission. This bill would limit the use of workplace surveillance tools, as defined, by employers, including by prohibiting an employer from monitoring or surveilling employees in a bathroom located in the workplace, except as specified. The bill would provide an employee with the right to leave behind workplace surveillance tools that are on their person or in their possession when entering a bathroom, except as specified. This bill would authorize the commissioner to enforce the bill's provisions, as prescribed, and would authorize a public prosecutor to bring specified enforcement actions. The bill would subject an employer who violates the bill to a civil penalty of up to $500 for each violation. The bill would include findings that changes proposed by this bill address a matter of statewide concern rather than a municipal affair and, therefore, apply to all cities, including charter cities. AB 1383 (McKinnor) Public employees' retirement benefits. (Vetoed 09/20/2026)
The Public Employees' Retirement Law (PERL) establishes the Public Employees' Retirement System (PERS) to provide a defined benefit to members of the system based on final compensation, credited service, and age at retirement, subject to certain variations. Existing law creates the Public Employees' Retirement Fund, which is continuously appropriated for purposes of PERS, including depositing employer and employee contributions. Under the California Constitution, assets of a public pension or retirement system are trust funds. The California Public Employees' Pension Reform Act of 2013 (PEPRA) establishes a variety of requirements and restrictions on public employers offering defined benefit pension plans. In this regard, PEPRA restricts the amount of compensation that may be applied for purposes of calculating a defined pension benefit for a new member, as defined, by restricting it to specified percentages of the contribution and benefit base under a specified federal law with respect to old age, survivors, and

disability insurance benefits. Existing law, the Teachers' Retirement Law, establishes the State Teachers' Retirement System (STRS) and creates the Defined Benefit Program of the State Teachers' Retirement Plan, which provides a defined benefit to members of the program, based on final compensation, creditable service, and age at retirement, subject to certain variations. This bill, for service performed on and after January 1, 2027, would prohibit the pensionable compensation for calendar year 2027 used to calculate the defined benefit paid to a new member of a retirement system subject to PEPRA who retires from the system from exceeding specified percentages of the contribution and benefit base under the specified federal law with respect to old age, survivors, and disability insurance benefits. The bill would make related, conforming changes to these provisions on pensionable compensation. The bill also would require a new member of STRS to be subject to specified limits of the Teachers' Retirement Law. This bill contains other related provisions and other existing laws. AB 1439 (Garcia) Public retirement systems: development projects: labor standards. (Chaptered 09/20/2026)
The California Constitution grants the retirement board of a public employee retirement system plenary authority and fiduciary responsibility for investment of moneys and administration of the retirement fund and system. These provisions qualify this grant of powers by reserving to the Legislature the authority to prohibit investments if it is in the public interest and the prohibition satisfies standards of fiduciary care and loyalty required of a retirement board. Existing law prohibits the boards of the Public Employees' Retirement System (PERS) and the State Teachers' Retirement System (STRS) from making certain new investments or renewing existing investments of public employee retirement funds, including in a thermal coal company, as defined. Existing law provides that a board is not required to take any action regarding those investments unless the board determines in good faith that the action is consistent with the board's fiduciary responsibilities established in the California Constitution. This bill would request the University of California, Berkeley, Labor Center to conduct an independent study to analyze the extent of labor standards protections in California real estate and infrastructure development projects funded through the real asset portfolios of PERS and STRS. The bill would request that the study and a report of its findings be completed and provided to the Legislature and the Department of Finance by January 1, 2028, as specified. AB 1578 (Jackson) State agency officials: training on responding to hate: local agency officials: anti-hate speech training. (Chaptered 09/27/2026)

The California Fair Employment and Housing Act makes specified employment practices unlawful, including the harassment of an employee directly by the employer or indirectly by agents of the employer with the employer's knowledge. Under existing law, the Civil Rights Department administers these provisions. Existing law requires a specified employer with 5 or more employees to, by January 1, 2021, provide at least 2 hours of classroom or other effective interactive training and education regarding sexual harassment to all supervisory employees and at least one hour of classroom or other effective interactive training and education regarding sexual harassment to all nonsupervisory employees in California and, after that date, once every 2 years. Existing law requires an employer to include prevention of abusive conduct as a component of that training and education. This bill would require, beginning on January 1, 2028, if a state agency provides any type of compensation, salary, or stipend to a state agency official of that agency, that all state agency officials of that agency receive training on responding to hate, as prescribed. The bill would define "state agency official" to mean a state elected official for that purpose. The bill would require at least one hour of training and education for a state agency official within the first 6 months of taking office or commencing employment, and every 2 years thereafter. The bill would authorize a state agency or an association of state agencies to offer one or more training courses, or sets of self-study materials with tests, to meet these requirements. The bill would authorize a state agency to develop its own training that meets the requirements or direct elected officials to complete a training developed by the department. The bill would require the department to develop or obtain an online training course on responding to hate and make the course available on its internet website. AB 1793 (Ward) Cash payments: calculation. (Chaptered 09/30/2026)

Federal law establishes United States coins and currency as legal tender for all debts, public charges, taxes, and dues, and authorizes the Secretary of the Treasury to mint and issue a one-cent coin. Existing state law generally regulates the use of credit cards, debit cards, gift certificates, and other forms of payment for goods and services in this state. This bill would enact the California Common Cents Act to require a merchant, for the portion of the total transaction price paid with legal tender, to determine the total transaction price of goods or services by rounding to the nearest amount of cents divisible by 5, as specified. The bill would define terms for its purposes, including defining "legal tender" as all metal coins and paper currencies of the United States. The bill would require any rounding adjustment to be disregarded for the purposes of the computation of any applicable tax, fee, or surcharge, tax, fee, or surcharge reimbursement, or the measure thereof, and authorize the California Department of Tax and Fee Administration to promulgate regulations to implement this requirement. The bill would prohibit a person from collecting from a purchaser an amount greater than the amount permitted under these provisions and would subject a violation of this prohibition to the same remedies as the prohibition against overcharging for a commodity, as provided. By expanding a crime, this bill would impose a state-mandated local program. The bill would make its provisions operative on July 1, 2027. The bill would make its provisions severable. AB 1821 (Pacheco) California Public Records Act: agency response time. (Chaptered 09/30/2026)
Existing law, the California Public Records Act, requires each state or local agency, upon a request for a copy of records that reasonably describes an identifiable record or records, to make the records promptly available to any person upon payment of fees covering direct costs of duplication, or a statutory fee if applicable, except with respect to public records exempt from disclosure by express provisions of law. Existing law requires each agency, within 10 days of a request for a copy of records, to determine whether the request seeks copies of disclosable public records in possession of the agency and to promptly notify the person of the determination and the reasons therefor. Existing law authorizes that time limit to be extended by no more than 14 days under unusual circumstances, as defined. This bill would instead require each agency to determine whether the request seeks copies of disclosable public records in possession of the agency and to promptly notify the person as described above within 10 business days of a request for a copy of records. The bill would instead authorize the time period for each agency to respond to be extended by no more than 14 business days. This bill contains other related provisions and other existing laws. Existing law authorizes the division, which is headed by the Labor Commissioner, to enforce the Labor Code and all labor laws of the state, the enforcement of which is not specifically vested in any other officer, board, or commission. The bill would define an employer to include a governmental entity, including, among other entities, charter cities and the University of California. This bill would authorize the Labor Commissioner or a public prosecutor to enforce the bill's provisions. The bill would subject an

employer who violates the bill's provisions to a civil penalty of up to $500 for each violation. The bill would define various terms for purposes of its provisions. This bill would exempt from its provisions an employer's use of a workplace surveillance tool in specified operations where the use of a workplace surveillance tool is reasonable necessary to comply with a federal statute, federal regulation, or binding federal contract relating to the development of aircraft for use in the national airspace or the development of products or services for national security, military, space, or defense purposes. AB 1908 (McKinnor) Settlement agreements: victims' compensation funding. (Chaptered 09/30/2026)
Under existing law, if parties to pending litigation settle the matter, the court may enter judgment pursuant to the terms of the settlement and, upon stipulation by the settling parties, dismiss the settling parties without prejudice while retaining jurisdiction over the parties to enforce the settlement. This bill would permit the enforcement, pursuant to the above provision and under specified conditions, of a settlement agreement that resolves a tort claim against a local public entity that is eligible for payment from a victims' compensation fund or other victim-related financial assistance program, as specified. This bill would declare that it is to take effect immediately as an urgency statute. (Based on 09/30/2026 text)

AB 1961 (Ahrens) Civil actions: protective orders: workplace violence. (Chaptered 09/30/2026)
Existing law authorizes an employer or collective bargaining representative of an employee who has suffered harassment, unlawful violence, or a credible threat of violence from any individual, to seek a workplace violence restraining order on behalf of the employee and, at the discretion of the court, any number of other employees at the workplace or at other workplaces of the employer. Existing law authorizes one or more representative parties to bring suit for the benefit of a class of parties if the question is one of a common or general interest, of many persons, or when the parties are numerous, and it is impracticable to bring them all before the court. This bill would authorize an employer to seek a workplace violence restraining order on behalf of all employees at the employer's workplace or a location at which a group of employees perform their primary job duties if harassment, unlawful violence or a credible threat of violence is directed at that workplace or

location. The bill would not require an employer to name any individual employee as a protected party if the employer seeks a workplace violence restraining order on behalf of all employees at the employer's workplace or a location at which a group of employees perform their primary job duties. This bill would require the Judicial Council, on or before January 1, 2028, to adopt or modify its forms, as specified. This bill would incorporate additional changes to Section 527.8 of the Code of Civil Procedure proposed by AB 2179 to be operative only if this bill and AB 2179 are enacted and this bill is enacted last. This bill would incorporate additional changes to Section 527.8 of the Code of Civil Procedure proposed by AB 1753 to be operative only if (1) this bill and AB 1753 are both enacted, (2) AB 2179 is not enacted or as enacted does not amend Section 527.8 of the Code of Civil Procedure, and (3) this bill is enacted last. AB 2150 (Haney) Emergencies: personnel: training requirements: opioid overdose reversals. (Chaptered 09/20/2026)

Existing law establishes the Emergency Medical Services Authority within the California Health and Human Services Agency, and requires the authority to coordinate state activities concerning emergency medical services. Existing law requires a public safety agency that provides "911" call processing services for emergency medical response, by January 1, 2027, to provide prearrival medical instructions to "911" callers requiring medical assistance, including, at a minimum, administration of naloxone for suspected narcotics overdoses. Existing law requires the authority to develop and adopt training, standards, and regulations for all prehospital emergency medical care personnel regarding the use and administration of naloxone hydrochloride and other opioid antagonists. Existing law makes any person who violates these provisions guilty of a misdemeanor. Existing law grants the Division of Occupational Safety and Health, which is within the Department of Industrial Relations, jurisdiction over all employment and places of employment, and the power necessary to enforce and administer all occupational health and safety laws and standards. Exiting law requires the division, before December 1, 2027, to submit a draft rulemaking proposal to revise specified regulations on first aid materials and emergency medical services to require first aid materials in a workplace to include naloxone hydrochloride or another opioid antagonist approved by the United States Food and Drug Administration to reverse opioid overdose and instructions for using the opioid antagonist. Existing law requires the standards board to consider for adoption revised standards for the standards described above on or before December 1, 2028. This bill would require an employer operating in this state that requires cardiopulmonary resuscitation (CPR) certification training of its employees to also require those employees, except as specified, to take an online video module training on the use of naloxone to increase the rate of opioid overdose reversals, as prescribed. Because a violation of this provision would be a crime, the bill would impose a state-mandated local program. The bill would require the Emergency Medical Services Authority to review and approve the online video module trainings to ensure that the training content meets certain minimum standards. This bill contains other related provisions and other existing laws. (Based on 09/20/2026 text)

AB 2230 (Ávila Farías) Child daycare facilities. (Vetoed 09/20/2026)
Existing law, the California Child Day Care Facilities Act, provides for the licensure and regulation of child daycare facilities, including daycare centers and daycare homes, by the State Department of Social Services. Under existing law, any person who willfully or repeatedly violates this provision, as specified, is guilty of a misdemeanor. Existing law requires the licensee or administrator of a licensed child daycare facility, as applicable, to report to the State Department of Social Services and Attorney General any requests for information or access to the facility by an officer or employee of a law enforcement agency for the purpose of immigration enforcement. This bill would, except as required by state or federal law or as required to administer a state or federally supported early care and learning program, prohibit employees of a licensed child daycare facility from providing voluntary consent to a law enforcement officer to enter a nonpublic area unless presented with a valid judicial warrant, judicial subpoena, or a court order or if exigent circumstances exist. The bill would provide that a violation of these provisions is not subject to a criminal, civil, or administrative penalty, and a licensee shall not be subject to a citation and would specify that these provisions do not prevent a child daycare facility from cooperating with law enforcement officers who are participating in a licensing inspection or investigation or investigating potentially criminal conduct discovered as the result of a licensing inspection or investigation conducted by the department. AB 2323 (McKinnor) Publication: newspapers of general circulation. (Chaptered 08/20/2026)
Existing law requires various types of notices to be provided in a “newspaper of general circulation,” as that term is defined, in accordance with certain prescribed publication periods and legal requirements. Existing law requires a newspaper of general circulation to meet certain criteria, including publication, a bona fide subscription list of paying subscribers, and printing and publishing at regular intervals in the state, county, or city where publication is to be given. This bill would require any public notice that is legally required to be published in a newspaper of general circulation to be published in the newspaper’s print publication and on the newspaper’s internet website or electronic newspaper available on the internet. This bill would prohibit a newspaper from charging a fee or surcharge to access public notices on their internet website or for posting a legally required public notice, as specified. This bill would provide, however, that a newspaper may continue to charge a fee or surcharge for access to other content on their internet website. This bill would also provide that certain errors in the publication of a legal notice on a newspaper’s internet website, as described, would not constitute a defect in the publication of the legal notice. AB 2656 (Petrie-Norris) Public employees: notice: artificial intelligence performing service within scope of work. (Vetoed 09/30/2026)

Executive Order No. N-12-23 requires specified state agencies, in collaboration with other state agencies and their workforce, to draft a report to the Governor examining the most significant, potentially beneficial use cases for deployment of generative artificial intelligence (GenAI) tools by the state. The executive order requires the report to explain the potential risks to individuals, communities, and government and state government workers, and requires the report to be regularly assessed and updated in consultation with, among others, the state government workforce or organizations that represent state government employees, as specified. Chapter 928 of the Statutes of 2024, the Generative Artificial Intelligence Accountability Act, requires specified state agencies to update the report, as needed, to respond to significant developments and to consult with specified parties, including organizations that represent state exclusive employee representatives. The act also requires state agencies to consider procurement and enterprise use opportunities for GenAI to improve efficiency, effectiveness, accessibility, and equity of government operations, as specified. This bill would require certain state and local public employers to provide written notice to a recognized employee organization at least 45 days before taking an action to develop, purchase, or require the use of GenAI to perform a service that is within the scope of work of the job classification represented by the recognized employee organization. SB 342 (Umberg) Contractors: unlicensed work. (Chaptered 09/30/2026)

Existing law, the Contractors State License Law, establishes the Contractors State License Board in the Department of Consumer Affairs to license and regulate contractors. Existing law prohibits a person engaging in the business or acting in the capacity of a contractor from recovering compensation for work performed that requires a contractor's license unless the person was a duly licensed contractor at all times during the performance of the act or contract, except as specified. This bill would further exempt from that prohibition an action for compensation arising from a contract for specified projects, including for a public work of improvement or a commercial or institutional construction project, and would, instead, authorize a person to maintain an action for compensation under one of those contracts if the person was a duly licensed contractor at the

time the contract was executed and during the portion of the performance of the contract for which compensation is sought. This bill contains other related provisions and other existing laws. (Based on 09/30/2026 text)

SB 577 (Laird) Public entities. (Chaptered 09/30/2026)
Existing law requires that specified actions for recovery of damages suffered as a result of childhood sexual assault that occurred before January 1, 2024, be commenced within 22 years of the date the plaintiff attains the age of majority or within 5 years of the date the plaintiff discovers or reasonably should have discovered that psychological injury or illness occurring after the age of majority was caused by the sexual assault, whichever period expires later. Existing law prohibits a plaintiff from commencing specified actions against a person or entity who did not commit the act of childhood sexual assault on or after the plaintiff's 40th birthday unless the offending person or entity knew or had reason to know of any misconduct that created a risk of childhood sexual assault by an employee, volunteer, representative, or agent, or the person or entity failed to take reasonable steps or to implement reasonable safeguards to avoid acts of childhood sexual assault. Existing law provides that there is no time limit for commencement of actions for recovery of damages suffered as a result of childhood sexual assault which occurred on or after January 1, 2024. Actions subject to these time limits include actions for liability against any person or entity who owed a duty of care to the plaintiff and an action for liability against any person or entity for an intentional act that was the legal cause of the childhood sexual assault. Existing law provides that in actions against entities for violation of a duty of care, the plaintiff must establish that the entity acted wrongfully or negligently. This bill would shorten the amount of time a victim of childhood sexual assault that occurred before January 1, 2024, would have to file a specified action to 22 years from the date the plaintiff attains the age of majority or within 3 years of the date the plaintiff discovers or reasonably should have discovered that psychological injury or illness occurring after the age of majority was caused by the sexual assault, whichever period expires later. The bill would, for actions seeking damages for childhood sexual assault that occurred before January 1, 2024, and filed on or after January 1, 2026, against a public entity, or one of its employees or agents, by a plaintiff who is 40 years of age or older, require the plaintiff to prove by clear and convincing evidence that the public entity knew of misconduct that resulted in childhood sexual assault and failed to take reasonable steps or implement safeguards to avoid it, as specified, and that the public entity negligently discharged a mandatory duty. For these cases, the bill would also require the court to review specified factors when adjudicating motions for remittitur and would authorize a court to structure judgments against public entities so that they could be paid over time. Existing law requires the Department of Technology to conduct, in coordination with other interagency bodies as it deems appropriate, a comprehensive inventory of all high-risk automated decision systems (ADS) that have been proposed for use, development, or procurement by, or are being used, developed, or procured by, any state agency. This bill would prohibit an employer from discharging, threatening to discharge, demoting, suspending, or in any manner discriminating or retaliating against any employee for taking certain actions asserting their rights under the bill. The bill would authorize the Labor Commissioner to enforce the bill's provisions and also authorize a public prosecutor to bring a civil enforcement action, as specified. The bill would set forth specified types of relief that a plaintiff may seek and specified penalties that an employer that violates these provisions is subject to, including a $500 civil penalty per violation. SB 951 (Reyes) Employment: technological displacement: notice. (Chaptered 09/30/2026)
Existing law, the California Worker Adjustment and Retraining Act (Cal/WARN Act), prohibits an employer from ordering a mass layoff, relocation, or termination at a covered establishment unless, 60 days before the order takes effect, the employer gives written notice of the order to the employees affected by the order and to the Employment Development Department and certain local officials. Existing law makes an employer who fails to give specified notice regarding a mass layoff, relocation, or termination subject to a civil penalty of not more than $500 for each day of the employer's violation. This bill would revise the Cal/WARN Act to also require an employer giving notice of a mass layoff, relocation, or termination caused in whole or in substantial part by an artificial intelligence (AI) system or other automated technology replacing or automating employment positions to include certain information in the notice, including the job functions performed by workers that will be automated by AI or other automated technology. The bill would require the department to publish a summary of the notices received on its internet website and to post a quarterly statewide summary of technological displacements reported. The bill would require the department, on or before January 1, 2028, to submit a report to the Legislature on artificial intelligence's effects on business hiring practices, including its impact on industries and occupations at the state and regional level. The bill would repeal the provision requiring that report on January 1, 2029. (Based on 09/30/2026 text)

SB 992 (Niello) County auditors: special districts: annual audit exceptions. (Chaptered 08/27/2026)
Existing law requires a county auditor to make or contract with a certified public accountant or public accountant to make an annual audit of the accounts and records of every special district within the county for which an audit is not otherwise provided, as specified. Existing law authorizes a special district to replace this annual audit with a financial review, or, until January 1, 2027, an agreed-upon procedures engagement or an annual financial compilation of the special district, if specified conditions are met, including that the special district's annual revenues do not exceed $150,000. Until January 1, 2027, upon receipt of the financial review, agreed-upon procedures engagement, or financial compilation, existing law authorizes a county auditor to appoint a certified public accountant or a public accountant to conduct an audit of the special district, as specified. Existing law prohibits a special district from replacing the annual audit requirement with an annual financial compilation for more than 5 consecutive years, after which existing law requires the special district to use specified procedures. This bill would extend the January 1, 2027, repeal date referenced above to January 1, 2037, and would increase the revenue cap described above to $250,000. After replacing the annual audit requirement with an annual financial compilation for 5 years, the bill would authorize a special district with annual revenues of less than $50,000 to replace the annual audit with a financial review, as described above. The bill would apply to a local agency only if the

governing body of the local agency adopts, by majority vote, a resolution to make its provisions applicable to the local agency. The bill would define terms for its purposes. This bill would declare that it is to take effect immediately as an urgency statute. (Based on 09/18/2026 text)

SB 1038 (Laird) The Public Employees' Retirement System. (Chaptered 08/27/2026)
The Public Employees' Retirement Law (PERL) creates the Public Employees' Retirement System (PERS) for the purpose of providing pension benefits to specified public employees and prescribes the rights and duties of members and annuitants of the system. PERL vests management and control of PERS in the Board of Administration. PERL authorizes the board, during the course of an audit, to require each state employer, school employer, including each school district represented by a school employer, and contracting agency to provide information as deemed necessary by the board to determine eligibility for, and the correctness of, retirement benefits, reportable compensation, enrollment in, and reinstatement to this system. PERL requires the board, before initiating an audit, to notify the subject of the audit of the estimated time required to completion. This bill would require the board, before initiating an audit, to list specific information about the audit on its internet website and provide written notice to the affected state employer, school employer, including each school district represented by a school employer, or contracting agency. The bill would specify the distribution of the notice, the final audit report, and a list of members affected by the final audit report, between the board, a state employer, school employer, or contracting agency, and any exclusive representative. SB 1159 (Cabaldon) Artificial intelligence: transparency and governance. (Chaptered 09/30/2026)
The California Constitution provides that people have the right of access to information concerning the conduct of the people's business. Various provisions of existing law, including the California Public Records Act, the Legislative Open Records Act, the Bagley-Keene Open Meeting Act, and the Ralph M. Brown Act, provide, with some exceptions, for public access to government records and meetings of government bodies. Among those acts, the California Public Records Act defines "person" to include any natural person, corporation, partnership, limited liability company, firm, or association. This bill would specify that, for purposes of the California Public Records Act, the Bagley-Keene Open Meeting Act, the Ralph M. Brown Act, the Legislative Open Records Act, the Administrative Procedure Act, the California Coastal Act of 1976, and CEQA, "person," "interested person," "participant," "member of the public," as applicable, and any other similar terms under

each act referring to those who may engage with governmental agencies, do not include artificial intelligence, as defined, systems, autonomous agents, or robots, whether physical or digital. The bill would authorize governmental agencies to use a disclosure verification tool to determine if artificial intelligence is present. The bill would make findings and declarations related to these provisions. This bill contains other related provisions and other existing laws. (Based on 09/30/2026 text)

SB 1187 (Durazo) Open meetings. (Chaptered 09/18/2026)
Existing law, the Ralph M. Brown Act, requires, with specified exceptions, that all meetings of a legislative body, as defined, of a local agency be open and public and that all persons be permitted to attend and participate. Existing law, beginning July 1, 2026, requires eligible legislative bodies, as defined, to have in place a system for electronically accepting and fulfilling requests for meeting agendas and documents. Existing law additionally requires these legislative bodies to translate the agenda for each meeting of that body and to reasonably assist members of the public who wish to translate a public meeting or receive interpretation, as specified. SB 1244 (Allen) Public Agency Benefits Intermediary Compensation Disclosure Act. (Chaptered 09/30/2026)
Existing law requires various disclosures to be made regarding health care service plan and health insurance benefits and coverages. Existing law generally regulates the conduct of business between health care service plans and solicitors and health insurers and broker-agents, including requirements regarding contracts in which the solicitor represents the health care service plan or the broker-agent represents the insurer. This bill, the Public Agency Benefits Intermediary Compensation Disclosure Act, would require a covered service provider, defined to mean a broker, agent, consultant, or advisor that meets specified criteria, to disclose to a public agency, as defined, or its group health plan the direct and indirect compensation it expects to receive for providing brokerage or consulting services, among other information, before it enters into, extends, renews, or materially amends a contract or arrangement for brokerage services or consulting services with the public agency or its plan. The bill would also require a covered service provider to disclose compensation and material financial interests related to a covered health care benefits

arrangement that the covered service provider recommends, places, renews, services, or materially influences for the public agency or its group health plan. Disclosure would be required under these provisions if the covered service provider reasonably expects it would receive $1,000 or more in compensation during the term of the contract or arrangement. The bill would require these disclosures at specified times. This bill would prohibit a covered service provider from requesting, accepting, or receiving direct or indirect compensation in connection with brokerage services or consulting services provided to a public agency or its plan unless the compensation is disclosed, and would prohibit evasion of disclosure requirements. Homelessness

SB 692 (Arreguín) Vehicles: homelessness. (Chaptered 09/30/2026)

Existing law makes it unlawful for a peace officer or an unauthorized person to remove an unattended vehicle from a highway, except as provided. Under existing law, the removal of a vehicle is a seizure, subject to the limits set forth in jurisprudence for the Fourth Amendment of the United States Constitution. Existing law authorizes a city, county, or city and county to adopt an ordinance establishing procedures for the abatement and removal, as public nuisances, of abandoned, wrecked, dismantled, or inoperative vehicles or parts of vehicles from private or public property. Existing law, whenever a peace officer or other public employee removes an abandoned vehicle valued at $500 or less, requires the public agency that removed, or caused the removal of, the vehicle to cause the disposal of the vehicle subject to specified requirements, including providing notice, as specified, to the registered and legal owners and any other person known to have an interest in the vehicle, and a process for the owners and interested persons to request and have a poststorage hearing, as specified. This bill would authorize a public agency of a city, county, or city and county to dismantle, or cause the dismantlement of, an abandoned vehicle, as defined, if the abandoned vehicle cannot be towed or otherwise moved and the vehicle has been declared a nuisance or hazard by a fire marshal, environmental health director, or public health officer of a city, county, or city and county, if various requirements are met, including attaching a distinctive notice to the vehicle at least 15 days prior to dismantlement that states the vehicle will be dismantled by the public agency if the hazard is not abated, sending a notice, within 48 hours of the attachment of the notice to the vehicle, to the owners and any other person known to have an interest in the vehicle informing them of specified information, including that the vehicle may be disposed of at least 15 days from the date of the notice and that they may have a hearing before the public agency if a request for a hearing is made within 10 days from the date of notice, as specified. This bill would require a requested hearing to be conducted within 5 business days of the request. If, after at least 15 days from the notification, the vehicle remains unclaimed, and if no request for a hearing was made or a hearing was not attended, the bill would require the public agency to provide the lienholder authorization to dismantle the vehicle. The bill would provide that a local government is not prevented from performing emergency summary abatement of an abandoned vehicle that is creating imminent health or safety hazards. Housing and Land Use

SB 1014 (Grayson) Development projects: preliminary estimate of required improvements: onsite and offsite improvements. (Chaptered 09/29/2026)
Existing law, the Permit Streamlining Act (act), sets forth various procedures for the review and approval of development project applications, including, among other things, requiring each public agency to compile one or more lists that specify in detail the information that will be required from any applicant for a development project. The act also requires a city, county, or city and county to deem an applicant for a housing development project to have submitted a preliminary application upon providing specified information about the proposed project to the city, county, or city and county from which approval for the project is being sought. This bill would permit an applicant who submits a preliminary application for a housing development project, as specified, or an application if a preliminary application is not submitted, to include in the preliminary application or application a request for a preliminary estimate of required improvements, as provided. The bill would require a city, county, or city and county that receives a request under these provisions to provide the preliminary estimate within 30 business days of the submission of the request, as provided. The bill would authorize, for improvements required by a public agency, as specified, the applicant to request, within 30 days of submission, a list of the types of improvements that may be required, as provided. The bill, within 30 business days of deeming an application for a postentitlement phase permit complete, would additionally require the city, county, or city and county to provide the applicant with an itemized list of all onsite and offsite improvements that will be required prior to issuance of, or otherwise in connection with, that permit, as provided. The bill would specify that its provisions do not relieve a city, county, or city and county of its obligation to comply with certain requirements before subjecting a housing development project to an improvement that was not in effect when a preliminary application was submitted, as provided. The bill would define various terms for these purposes. This bill contains other related provisions and other existing laws. (Based on 09/29/2026 text)

SB 1036 (Grayson) Mitigation Fee Act. (Chaptered 06/30/2026)
Existing law, the Mitigation Fee Act, imposes various requirements with respect to the establishment, increase, or imposition of a fee by a local agency as a condition of approval of a

development project, including requiring the local agency to identify the use to which the fee is to be put and determine how there is a reasonable relationship between the fee's use and the type of development project on which the fee is imposed. This bill would require the amount of a fee that is imposed on a development project that demolishes or changes an existing use to be offset to account for the demolition or change so that the amount of the fee is attributable only to the development project's incremental impact on public facilities or services, as provided. This bill contains other related provisions and other existing laws. (Based on 06/30/2026 text)

SB 1117 (Cervantes) Accessory dwelling units and junior accessory dwelling units. (Chaptered 09/29/2026)
Existing law, the Planning and Zoning Law, among other things, provides for the creation by ordinance, or by ministerial approval if the local agency has not adopted an ordinance, of an accessory dwelling unit (ADU) in accordance with specified standards and conditions. Existing law requires fees charged for the construction of ADUs to be determined in accordance with specified provisions of the Mitigation Fee Act. Existing law prohibits a local agency, special district, or water corporation from imposing any impact fee upon the development of an ADU that has 750 square feet of interior livable space or less, and requires any impact fees charged for an ADU that has more than 750 square feet of interior livable space to be charged proportionately in relation to the square footage of the primary dwelling unit. This bill would require the charge for certain accessory dwelling units to be based only on the area in excess of 750 square feet of interior livable space. By changing the duties of local agencies with regard to calculating fees for ADUs, the bill would impose a state-mandated local program. The bill would include findings that changes proposed by this bill address a matter of statewide concern rather than a municipal affair and, therefore, apply to all cities, including charter cities. SB 1256 (Jones) Subdivision Map Act: action or proceeding. (Chaptered 09/30/2026)
The California Environmental Quality Act (CEQA) requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of an environmental impact report on a project that it proposes to carry out or approve that may have a significant effect on the environment or to adopt a negative declaration if it finds that the project will not have that effect. CEQA also requires a lead agency to prepare a mitigated negative declaration for a project that may have a significant effect on the environment if revisions in the project would avoid or mitigate that effect and there is no substantial evidence that the project, as revised, would have a significant effect on the environment. CEQA requires that an action or proceeding to attack, review, set aside, void, or annul specified acts or decisions of a public agency on the grounds of noncompliance with CEQA be commenced in accordance with specified timeframes. Existing law, the Subdivision Map Act, vests the authority to regulate and control the design and improvement of subdivisions in the legislative body of a local agency and sets forth procedures governing the local agency's processing, approval, conditional approval or disapproval, and filing of tentative, final, and parcel maps, and the modification thereof. The act requires an action or proceeding against a decision of a local agency taken pursuant to that act to be commenced within a certain time period, as specified. This bill would prohibit an action or proceeding to enforce the Subdivision Map Act from being maintained if certain criteria exist, including that the action or proceeding to enforce the Subdivision Map Act includes substantially similar claims or issues to claims or issues raised in an action or proceeding to enforce CEQA and the defendant in the action or proceeding to enforce the Subdivision Map Act was the defendant in the action or proceeding to enforce CEQA. The bill would provide that its provisions do not prohibit or abrogate specified actions, including the filing of timely objections to an agency's return to a writ seeking to enforce its specific mandates or timely filing of a separate action relating to the same project, as specified. The bill would repeal these provisions on January 1, 2032. This bill contains other existing laws. (Based on 09/30/2026 text)

AB 2453 (Rodriguez, Michelle) Vehicles: off-highway motor vehicles. (Chaptered 09/20/2026)
Existing law regulates the operation of recreational off-highway motor vehicles on lands, other than a highway, that are open and accessible to the public. Existing law generally prohibits a motor vehicle from being driven upon a highway unless it is registered. However, existing law authorizes off-highway motor vehicles that are issued identification plates or devices to cross highways in certain situations, including, among others, a peace officer operating an off-highway motor vehicle in an emergency response situation. This bill would expand the above-described provision to additionally authorize first responders, as defined, to operate off-highway motor vehicles in an emergency response situation. The bill would also authorize peace officers and first responders to operate off-highway motor vehicles upon a highway, at a distance not to exceed 5 miles, for the

purpose of accessing off-highway recreational areas or locations of patrol, within jurisdictions that have adopted a policy or plan for the operation of those off-highway motor vehicles pursuant to the provisions described below. The bill would require peace officers and first responders operating off-highway motor vehicles pursuant to these provisions to comply with the terms and requirements of the policy or plan adopted by the applicable local authority. This bill contains other related provisions and other existing laws. (Based on 09/20/2026 text)

SB 239 (Arreguín) Crimes: criminal threats. (Chaptered 09/20/2026)
Existing law makes it a crime to willfully threaten to commit a crime that will result in death or great bodily injury to another person, as specified. Under existing law, this crime is punishable as a misdemeanor or by imprisonment in state prison as a felony. Existing law, for the purposes of sentencing for a felony violation of these provisions, authorizes the court to consider, as a factor in aggravation, that the defendant willfully threatened to commit a crime that would result in the death or great bodily injury of a state constitutional officer, a Member of the Legislature, or a judge or court commissioner, as specified. This bill would additionally authorize the court to consider, as a factor in aggravation, that the defendant willfully threatened to commit a crime that would result in the death or great bodily injury of an elections official of a city, county, city and county, or public district, or an elected local agency official, as specified. SB 937 (Gonzalez) Law enforcement: flash-bang grenades and explosive breaching charges. (Chaptered 09/29/2026)
Existing law prohibits the use of kinetic energy projectiles or chemical agents by any law enforcement agency to disperse any assembly, protest, or demonstration, except in compliance with specified standards. Existing law requires kinetic energy projectiles and chemical agents only to be deployed by a peace officer that has received proper training for crowd control, as specified, or to bring an objectively dangerous and unlawful situation safely and effectively under control and only in accordance with certain requirements, including that de-escalation techniques have been attempted and have failed, kinetic energy projectiles are not aimed at the head, neck, or any other vital organs, and, if the chemical agent to be deployed is tear gas, only a commanding officer at the scene of the assembly, protest, or demonstration may authorize the use of tear gas. This bill would expand the above prohibition and exception to include flash-bang grenades, as defined. The bill would define law enforcement agency as any department or agency of the state or any local government, special district, or other political subdivision thereof, that employs any peace officer, as defined, or any federal law enforcement agency. The bill would prohibit the use of flash-bang grenades by any law enforcement agency for the purposes of immigration enforcement, except as specified. The bill would also only allow a commanding officer at the scene to authorize the use of

flash-bang grenades. This bill contains other related provisions and other existing laws. (Based on 09/29/2026 text)

SB 1203 (Smallwood-Cuevas) Security services. (Chaptered 09/30/2026)
Existing law, the Proprietary Security Services Act, prohibits a person from engaging in the business of a proprietary private security officer or a proprietary private security employer unless registered with the Department of Consumer Affairs. Existing law makes a violation of these provisions an infraction, as specified. Existing law requires a person who is registered and hired as a proprietary private security officer to complete training in security officer skills within 6 months from the date upon which registration is issued, or within 6 months of their employment with a proprietary private security employer, as specified. Existing law prohibits a proprietary private security employer from engaging in specified acts and authorizes the Director of Consumer Affairs to issue a citation, which may include an order to pay specified administrative fines for a violation of these provisions. This bill, commencing January 1, 2029, would recast those training provisions to require the training to be 42 hours, to require an applicant for a proprietary private security officer registration to complete, within the first 6 months of their employment date, a course in the exercise of the power to arrest and the appropriate use of force as a condition of issuance of the registration, and to require that the training be conducted through traditional classroom instruction, as defined. The bill would require 2 hours of training to be dedicated to training employees on specified workers' rights contained in a notice employers are required to provide employees, as specified. The bill would require the Bureau of Security and Investigative Services to administer certain provisions governing the approval of training providers, and would create a certificate authorizing a labor organization that represents security guards of a proprietary private security employer to provide the 2-hour training, as specified. The bill would also require a registered proprietary private security employee annually to complete a minimum of 12 hours of security officer skills training, with at least 4 hours of training dedicated to practicing deescalation skills, as specified, and that the time spent attending the annual training be compensated by the employer. The bill would require the bureau to determine the criteria to evaluate whether the deescalation trainings conform to the required principles and methods, as specified. Revenue and Taxation

SB 122 (Committee on Budget and Fiscal Review) Taxation. (Chaptered 06/30/2026)
Existing state sales and use tax laws impose a tax on retailers measured by the gross receipts from the sale of tangible personal property sold at retail in this state of, or on the storage, use, or other consumption in this state of, tangible personal property purchased from a retailer for storage, use, or other consumption in this state. The Sales and Use Tax Law (SUT) defines "tangible personal property" to mean personal property that may be seen, weighed, measured, felt, or touched, or

that is in any other manner perceptible to the senses. Existing law punishes various violations of the SUT as crimes. The Bradley-Burns Uniform Local Sales and Use Tax Law (Bradley-Burns) authorizes counties and cities to impose local sales and use taxes in conformity with the SUT, and existing laws authorize districts, as specified, to impose transactions and use taxes in accordance with the Transactions and Use Tax Law, which generally conforms to the SUT. Amendments to the SUT are automatically incorporated into the local tax laws. This bill would define "tangible personal property" to additionally mean a digital product and any copyright or patent interests associated therewith for the purposes of the application of the SUT, as prescribed. The bill would define "digital product" to mean, except as provided, prewritten computer software transferred on tangible storage media, transferred electronically, or accessed remotely. The bill would also make various conforming changes. By expanding the scope of violating the SUT, this bill would impose a state-mandated local program. This bill would prohibit a purchaser or retailer of a digital product that is transferred electronically or accessed remotely from entering into any form of agreement that would result, directly or indirectly, in the payment, transfer, diversion, or rebate of any tax revenue resulting from the imposition of a sales and use tax under Bradley-Burns imposed on the sale or purchase of a digital product that is transferred electronically or accessed remotely. This bill would make an appropriation of $750,000 from the General Fund to the California Department of Tax and Fee Administration for the purpose of administering these sales and use tax provisions. AB 1569 (Davies) Pupil safety: electric bicycle: safety and training program. (Chaptered 08/27/2026)

Existing law establishes the State Department of Education in state government, and vests the department with specified powers and duties relating to the state's public school system. Existing law establishes the Department of the California Highway Patrol, under the control of the Commissioner of the California Highway Patrol, within the Transportation Agency. Existing law requires the Department of the California Highway Patrol to develop statewide safety and training programs based on evidence-based practices for users of electric bicycles. This bill would require, on or before March 1, 2028, the State Department of Education, in consultation with the Department of the California Highway Patrol, to develop a standardized electric bicycle safety and training program for pupils in grades 7 to 12, inclusive, as provided. In developing the program, the bill would authorize the State Department of Education and the Department of the California Highway Patrol to collaborate with local law enforcement agencies or local governments that have implemented electric bicycle training programs already to ensure the program reflects proven best practices. The bill would encourage local educational agencies and parent organizations to offer training demonstrations to pupils and parents on electric bicycle operations in collaboration with local law enforcement agencies or local governments, as specified. AB 1614 (Dixon) Vehicles: bicycles. (Chaptered 06/30/2026)
Existing law, the California Bicycle Transportation Act, establishes 4 classifications of facilities, referred to as bikeways, that provide primarily for, and promote, bicycle travel. Existing law requires a person operating a bicycle, which includes an electric bicycle, upon a highway to ride the bicycle upon or astride a permanent and regular seat unless the bicycle was designed by the manufacturer to be ridden without a seat. Existing law requires a person riding as a passenger on a bicycle upon a highway to be upon or astride a seat attached to the bicycle, as specified. A violation of these provisions in punishable as an infraction. This bill would make those provisions applicable to the operation of a bicycle upon a Class I bikeway. By expanding an existing infraction, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws. (Based on 06/30/2026 text)

AB 2346 (Wilson) Vehicles: electric bicycles and speed limits. (Chaptered 09/30/2026)
Existing law defines an electric bicycle as a bicycle equipped with fully operable pedals and an electric motor of less than 750 watts, and classifies electric bicycles into 3 classes with different restrictions for various purposes. This bill would require all class 2 electric bicycles manufactured, sold, or offered for sale on or after January 1, 2029, to be equipped with a speedometer. The bill would also require all electric bicycles manufactured, sold, or offered for sale on or after January 1, 2029, to be equipped with an integrated or detachable front lamp and a rear lamp, as specified. The bill would also require sellers and distributors of electric bicycles to disclose specified information at or before the point of sale, including, among other things, the classification and maximum speed of the electric bicycle and a recommendation that persons under 16 years of age should not ride an electric bicycle at a speed greater than 15 miles per hour. The bill would make a violation of these provisions punishable as an infraction, as specified. This bill contains other related provisions and other existing laws. (Based on 09/30/2026 text)

SB 1167 (Blakespear) Vehicles: electric bicycles. (Chaptered 09/30/2026)
Existing law defines an electric bicycle as a bicycle equipped with fully operable pedals and an electric motor that does not exceed 750 watts of power. Existing law classifies electric bicycles into 3 classes with different restrictions for various purposes, and requires, among other things, a class 3 electric bicycle to be equipped with a speedometer. Existing law prohibits certain vehicles that do not meet the definition of an electric bicycle from being advertised, sold, offered for sale, or labeled as an electric bicycle, as specified. A violation of the Vehicle Code is a crime. This bill would amend the type of vehicles that are prohibited from being advertised, sold, offered for sale, or labeled as electric bicycles, including, among others, motor-driven cycles and mopeds. SB 1213 (Reyes) Zero- and near-zero-emission medium- and heavy-duty vehicles: incentives: transparency. (Chaptered 09/20/2026)
Existing law establishes the California Clean Truck, Bus, and Off-Road Vehicle and Equipment Technology Program, to be administered by the State Air Resources Board in conjunction with the State Energy Resources Conservation and Development Commission (Energy Commission). The program funds eligible projects, including, among others, projects for technology development, demonstration, precommercial pilots, and early commercial deployments of zero- and near-zero-emission medium- and heavy-duty truck technology, including projects that help to facilitate clean goods movement corridors. Existing law establishes the Clean Transportation Program, administered by the Energy Commission, to provide, among other things, competitive grants and revolving loans to specified entities for those entities to develop and deploy innovative technologies that transform California's fuel and vehicle types to help attain the state's climate change policies. This bill would require, within the California Clean Truck, Bus, and Off-Road Vehicle and Equipment Technology Program, the state board and the Energy Commission, beginning January 1, 2027, to condition the inclusion of any medium- or heavy-duty vehicle model in specified incentive programs, including the Clean Transportation Program, on the receipt of the pricing data as specified.
